

From Our Pastors

Grand Harbour, N. B.

Dear Highway Readers:

I want to thank you good folk who have been praying for me during my illness, for the many nice get-well cards I received, and for the telegram from our Superintendent. I do appreciate these gestures of kindness.

I was unable to preach for four Sundays, but since that I have been preaching each Sunday and conducting my prayer meetings. The doctors tell if I am careful I will regain my health and be able to carry on my ministry.

Since suffering this heart attack the Lord has been so real to me, and I feel resigned to whatever the future holds for me.

I am fortunate to be the pastor of such people who keep me reminded that they are not expecting me to do more than I feel able to. No pastor could ask for a kinder people. They have stood by us with their prayers and have been good to us in every way.

Keep praying for us that we may be completely restored.

Your In His Work,

Dear Highway Friends:

Since we have recently changed locations, we would like to give a report. It was our privilege to pastor our Woodstock church for over seven years. Although we did not see spectacular things take place during our pastorate there, yet we did see some steady progress made. A number of individuals found the Lord as Saviour and Sanctifier and several united with the church.

Since there were many repairs and improvements needed on both church and parsonage our good people there made it a point to undertake some special project each year. God helped them to see those projects accomplished. This past Spring they had as their goal for this year two things, to install an oil burner in the furnace to convert it so as to burn oil, and to insulate the main auditorium. As we left the work on the furnace was nearly completed and plans were well under way regarding the insulating.

Our last year there, was especially encouraging with a marked increase in Sunday School attendance and also Church attendance. We expect to hear good reports from this part of God's vineyard in the future as they continue to march on with the Lord. We believe God is going to reward their faithfulness.

Before we left the Young People of our Sunday School class gathered for a social evening and gave us a purse of money. Then the people of the church packed the parsonage another evening and gave us another purse of money. We appreciate very much all that these good people did and we pray that God shall reward them richly for their goodness to us both in the material realm and by their prayers and faithful support.

We found it rather difficult to leave as Woodstock had grown very dear to us. There too, we had made the acquaintance of some of God's choicest people. But we felt God was leading and so we endeavoured to follow where He led.

As we are beginning our new work here we ask an interest in the prayers of God's people everywhere. We need Him so much. We trust

too, that you will especially remember Bethany. Bethany is yours. We covet, for it, first of all your earnest prayers that God might continue to bless Bethany. Then, as business manager, we ask you to help answer your own prayers by supporting Bethany financially.

We rejoice in our wonderful Saviour.

SPECIAL GIFTS FOR FOREIGN MISSIONS

Four Primitive Baptist Churches of the Tobique, N. B., area have sent in offerings in support of our foreign mission work. The churches, with their gifts totalling \$93.10 are: Everett, Lerwick, Arthurette, and Plaster Rock, all in New Brunswick, are near Perth.

This much appreciated interest in our missionary work is to be maintained through a monthly offering the first Sunday of each month. This plan was born with these churches through missionary interest awakened under the ministry of Miss Uta Chase and encouraged by the pastor of the churches, Rev. D. E. Pike. The amount referred to above will be used to help in the purchasing and equipping of a tent to be used in evangelistic work in Africa. May God bless the people of these churches and their good pastor for this splendid gesture.

MISSIONARY CONVENTIONS

Rev. Dale McClain, Deputational Secretary of the Oriental Missionary Society, will hold missionary conventions and two-day meetings with a number of our pastors and churches Oct. 26-Nov. 20. His itinerary will begin at Moncton and end at Fredericton with many of our churches, including Bethany Bible College, being visited. These meetings are being arranged through our Foreign Mission Board.

DON'T KID YOURSELF!

You Can't Grow Petunias from an Onion Seed!

God's Law of the Harvest is as dependable as its Author. You can only reap in Eternity what you sow in Time. We may fool others, and even kid yourselves into believing we are something we are not, but, remember, God is not mocked. He knows the real YOU and will reward you accordingly. No matter how good an actor, how clever a hypocrite we may be, there is coming a day when we will get exactly what we deserve and the whole world will know us as we really are. Honestly now, does that comfort or frighten you? "He that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting." The wise man will sow good, honest seed in this life that he may reap a good, honest reward in the life hereafter.

BECAUSE YOU PRAYED

Because you prayed—

God touched our lips with coals from altar fire,

Gave Spirit-fullness, and did so inspire

That when we spoke, sin-blinded souls did see;

Sin-chains were broken; captives were made free.
