

CHURCH NEWS

Fredericton, N. B. — We are pleased to report a blessed and fruitful revival campaign November 7-18. Our evangelist was Rev. A. E. Collins, of Carleton Place, Ontario, and he proved to be God's man and messenger. His messages were consistently true to the Word and the message of holiness, his spirit was gracious and compassionate, and the anointing of the Spirit was upon him. It was a joy and privilege to have Brother Collins, an honoured minister of the Church of the Nazarene, in our home and church. Some of the services of the campaign were outstanding. The blessing of the Lord was rich and abundant. The last day was indeed "the great day of the feast". More than twenty souls knelt at the place of prayer and found victory through our Lord Jesus Christ. Others had sought the Lord in saving and sanctifying power, while still others received much help though they were not altar seekers. Since the close of the campaign we have had two wonderful prayer meetings, and all departments of the work feel the good effects of the moving of the Spirit. We thank God for this fine campaign and look forward to further progress and victory. We are prayerfully interested in all who are seeking to carry on the work of the Lord. Please pray for us as we endeavour to accept the challenging opportunities for spiritual service in this provincial capital.—B. C. Cochrane, Pastor.

Hartland, N. B.—We would like to send a few words of greeting to The Highway family, and to our Ministerial Brethren, in this Christmas issue. It has always been our custom to send personal greeting cards to the ministers and their families, but felt this year to cut down on our list, and put the money we would regularly spend on cards and postage, into some phase of the Lord's work. So please accept this note as our card to you, and may each and all have a "Very Merry Christmas" and a "Bright and Happy New Year."

Yours for Holiness,

Arthur and Hazel Owens

ANNOUNCEMENTS

It is urgent that all pastors immediately contact Mrs. Leslie Black, Bridgewater, Maine, and give to her the name and address of either the leader of their children's group, or the Superintendent of their Sunday School.

Please, pastors, will you co-operate at your earliest convenience?

We would like to know how many of our churches have regular children's meetings, and how many children are being reached. Will all leaders of children's groups send a report, at your earliest convenience, to Mrs. Leslie Black, Bridgewater, Maine?

Thank you!

Boys and Girls

Dear Boys and Girls,

Isn't it wonderful to know that you have reached your goal and there is going to be a ROSAMOND DOW MEMORIAL CHURCH in Africa? This church is going to be built in Rhodesia in the new area where our missionaries are laboring for God, and will be the first church to be built there, I believe. Isn't it wonderful to know that you are having a part in the salvation of boys and girls in another land? I know you feel as happy over this as the Mission Board does, and I am sure this will be a very wonderful memorial to Rosamond Dow, the little girl who loved Jesus so much. It can be said of her as it was said of God's servant in the Bible, "She being dead, yet speaketh."

Now other churches are needed in Africa and I am sure you boys and girls want a part in this too. These churches will not be as costly as the one you just built, but we need four or five of them in various places on our mission field. Each of these churches will cost two hundred dollars and I am sure we can have enough money to build a church before we gather at Beulah Camp next summer. Won't it be wonderful to think our pennies, nickles, dimes, quarters, and dollars are being used to provide a house of worship for boys and girls in Africa?

Did you ever try the idea of giving a penny-a-meal toward the missionary fund? It is really a fascinating project and you will be surprised how quickly the fund will grow. Perhaps you can interest dad and mother in helping you. All the money received will go toward building these needed churches in the darkened continent where war is raging at this moment.

Also, boys and girls, Mrs. Saunders needs some flannel-graph material to use there. You know how much you love to hear Bible stories when you can see them pictured on a flannel-board. Let's send some of these same materials to her. We can do it by saving some of our candy and ice cream money. Will you sacrifice, at least, one ice cream each week?

We will keep you informed through THE HIGHWAY about your CHURCHES FOR AFRICA FUND and trust that you will work hard to keep it growing.

God bless you all and give you a wonderful Christmas season.

Love to all my boys and girls,

Ruth Harding Black.

NOTICE

By the time this appears in the Highway a circular letter will, no doubt, already be in the hands of the pastors of our churches stating something of Bethany's financial difficulties. I trust all our people will do their best to help our school through this, its most serious, time of financial pressure.

Chairman of School Board
