

Grand Harbour:

Greetings from Grand Harbour and North Head, Grand Manan.

We arrived at Grand Manan after Beulah Camp to take up our new pastorates and to our surprise we found everything set in order. Cupboards filled with groceries, supper on the table and a warm welcome awaiting, thanks to the kind folk of Grand Harbour.

We are enjoying the fellowship and united co-operation of these two fine groups of people. It is a real joy to labour with people that believe in the old-time religion.

At the North Head Church on Nov. 9-11th it was our privilege to have with us Miss Sheila Graham of Meductic. From the first service God gave us excellent crowds and rich blessing. God came mightily upon us in the last service and twelve souls sought God for salvation. Glory to God! We recommend our sister as an anointed hand-maiden of the Lord.

God has wonderfully cared for us and supplied every need since our coming to the Island.

As the winter months came on it was evident that we were in need of a heating system. God knowing this layed it upon the heart of one of our Grand Harbour layman, Samuel Guphill, to give us an automatic oil furnace, for which we were thankful and grateful to God.

The people rallied together and installed the furnace, put a new cement curb around the well in the basement, and made everything comfortable for the coming winter. How we thank God for these generous and godly people.

We enjoyed a very blessed Christmas here at Grand Manan. The people of both churches were more than gracious to us in giving us gifts and money.

Now as we are passing through the winter months we are looking forward to a gracious time of revival in the coming spring.

The Lord willing we expect to have Rev. Neil Rice of Doaktown, N. B. with us at North Head on March 10-31, and Rev. D. E. Pike of Presque Isle Me., at Grand Harbour beginning April 9th.

We are uniting in prayer for God's blessing and glory upon these meetings and upon the work God throughout the remainder of the year.

Yours for full Salvation,

Jack and Charlene MacKenzie.

A REFORMED BAPTIST HISTORY

Dear Highway Friends:

Recently I had reason to write a brief history of the Reformed Baptist Church, but in writing this history I ran into so many questions that I could not answer, and that were not answered by any known sources, that I determined to extend my research and try to bring together into one volume the whole story of our Church. At this stage the task will be a difficult one, and consequently I need your help.

If you have material (written articles, authentic stories, personal experiences) that you feel would assist me in this venture, I would appreciate having them sent to me as soon as possible. I pledge care, safe-keeping, and return of documents which you would be willing to loan.

If sufficient data can be collected between now and the time of Beulah Camp, I would begin work on the actual writing at once. With your help, I believe that something comprehensive enough can be written that would merit publication into book form.

Yours faithfully in Him,

L. K. Mullen

FROM THE ALLIANCE TREASURER

We are in that not uncommon position of being financially embarrassed. Funds are urgently needed to meet denominational obligations. Alliance funds were insufficient to pay either their January or the February salary of the Superintendent. Such would not be the case if every church had been faithful to pay its "General" and "Superintendent" budget. At the present time twenty-four churches have made no contact with us since the beginning of the Church year.

Pastors and Churches, please make an effort to help us. To those who have stood by faithfully, we say "Thanks."

L. K. Mullen,

Alliance Treasurer.
