

January is designated as "Highway Month" by the Editorial committee of the King's Highway. Two objectives are presented: First, payment of all subscription arrears; second: enlisting of new subscribers. May we request every pastor and church to appoint a Highway agent who can collect and receive renewals and new subscriptions and forward monies to the Highway business manager? We hope that each pastor will set a goal of having all the subscribers of his church or churches bring their subscriptions up to date, and secure some new members for The Highway family. Will YOU co-operate?

In the last issue of The Highway it was reported that at the close of the month of November twenty-five churches had made no contribution to foreign missions during the present church year. In this Highway the president of Bethany Bible College reports that 50% of the churches have made no payment on their Bethany budgets. It must be that pastors and churches fail to realize the critical situations created by failure to lend support to these worthy projects. What would happen to the pastor if nothing were paid on his salary for six months? And yet our missionaries and Bible School teachers need their salaries just as much as pastors do. A good resolution for any church would be to adopt a plan of giving systematically in support of our various denominational enterprises. How about putting this on the budget list?

Rev. R. H. Nicholson, president of our Home Mission Board, is making a tour of the churches Dec. 29-Jan. 12. Brother Nicholson is rendering a fine service for our Church and we are sure that he will be warmly welcomed by our pastors and people and believe his message concerning our Home Mission work will receive a ready and hearty response.

Evangelist and Mrs. Wilfrid Moutoux will be in the Maritimes for a series of meetings in April. They still have some time open and would like to fill up their slate in the Maritime-Maine area. Write them Box 203, Bridgeport, Ontario.

Rev. F. A. Watson is gradually improving in health. He is taking his regular preaching appointments.

Rev. N. E. Trafton is to be guest speaker in the united week of prayer services in Woodstock, N. B., Jan. 6-10.

Prayerful good wishes to all for 1958. May it be a year of blessing in our churches, our missionary work, at Bethany Bible College, Beulah and Riverside Camp Meetings.
