

**MARYSVILLE, N. B.**

Greetings to you one and all from Marysville. We read with pleasure the letters from our pastors and would like to encourage others, like myself, to write a letter regarding their church work.

We are finishing our fourth year here, and are enjoying our stay very much. This is a fine little town, large enough and with needs sufficient to really challenge us as a church. This is especially true with the Mill opening again in the spring after being closed for over three years. We thank the Lord for the opening of the factory, which seemed to many an utter impossibility, especially for the manufacture of cotton.

Our church work, we believe, is in a good healthy condition and although we have nothing spectacular to report, it is steadily (although perhaps quite slowly) growing and improving. All services are reasonably well attended and the Sunday School is now about 200 in attendance. But we need an old fashioned Holy Ghost revival, and we are working and looking to God to this end.

We had a real good meeting in January with Rev. R. T. Sellick, DeVerne and Paul Mullen. The attendance was good, some real victories were realized and many contacts were made. The church people were very faithful in praying, visitation and in attendance. The ministry of our workers was much appreciated and great good was accomplished that is not visible. It was a profitable meeting.

We pray God to bless every reader, every church and pastor, and may His will be done among us. We are staying at Marysville another year and will appreciate an interest in your prayers.

Yours in Christian love,

Rev. and Mrs. G. R. Symonds

**DISTRICT MEETING**

The Quarterly Meeting of District No. 4 convened with the church at Sandford, N. S. The opening message was given by Lic. William Burbury. His theme, "Consecration." Rom. 12:1.

On Friday evening the message was given by Rev. S. W. Steeves, using for his subject, "The Fatal Spirit of Compromise." II Cor. 5:17.

On Saturday afternoon, Rev. R. T. Benson, pastor of our Home Mission work in East Ferry, N. S., was welcomed to this district. We were pleased to learn that plans were made for a new church at East Ferry, and the district meeting gave Brother Benson the assurance that we would stand behind this new work in both prayer and financial support.

Other plans discussed were: A \$50.00 District Scholarship to be presented to any eligible third year Bible student; a Youth Camp at Yarmouth this summer; for extension work in this district. The desire for a Camp Meeting in Western Nova Scotia.

Saturday evening Rev. R. T. Benson brought us the message. His theme, "Rebellion against God." II Sam. 18:33.

Sunday was a good day in the Lord from the very beginning. Rev. H. C. Mullen led the Love Feast using for his text, I Thess. 5:24. "Faithful is he that calleth you, who also will do it," emphasizing the two little words, "Do" and "It." God's people received a real blessing. Rev. W. E. Green brought the morning message, using the

words, "I was in the Spirit on the Lord's day. And I heard behind me a great voice, as of a trumpet." Rev. 1:10.

Rev. D. C. Webb brought the afternoon message, using for his theme, "The little foxes that spoil the vines." S. of S. 2:15.

The closing message of the day was given by Rev. S. W. Ingersoll, who spoke from the words, "A greater man is here, than Solomon." Luke 11:31.

The Quarterly was well attended, and God's people received much spiritual blessing from the hand of the Lord.

S. W. Steeves, Secretary
