

REPORT ON SERVICES AT HAVELOCK, N. B.

A Home Mission meeting was conducted in Havelock, N. B., Aug. 4-29. A good interest was evident in the very first service. On several occasions the large Memorial Hall had near capacity crowds. As the meeting progressed, conviction gripped the hearts of the people, resulting in a number finding victory at the altar.

Special workers in this campaign were: The Superintendent, Rev. F. A. Dunlop; Rev. R. H. Nicholson and Robert Lees, song evangelist. During the second week Revs. B. M. Hicks, Stillman Cameron, H. E. Mullen, Brother Hutchinson and Lic. Kenneth Gorvette challenged their listeners with messages from God's word.

Prospects of a future Reformed Baptist Church in the village of Havelock seem very hopeful.

THE MENACE from Page 3

out of every fifteen drinkers becomes an alcoholic. That is a very high percentage. As the drunkards die off, the ranks are replenished from among the moderate drinkers.

The agony of soul, the torment of mind, the ache of conscience, the depth of despondency, the midnight gloom of hopeless alcoholism can not be adequately described by feeble human language.—"The National Prohibitionist"

EDITOR'S LAMENT

Getting out the King's Highway is no picnic.

If we print jokes folk say we are light-minded.

If we don't, they say we are too serious.

If we publish original matter they say we lack variety.

If we publish things from other papers then we are too lazy to write our own.

If we don't print contributions then we lack proper appreciation of the other fellow.

If we do, the paper is filled with junk.

Like as not someone will say we copied this from some other paper.
