

Royalton, N. B.

We have not written to the "Kings Highway" for a considerable length of time. We always enjoy reading the letters in the paper, but it is another thing to take the time to write one yourself.

The time since Beulah has slipped by so quickly; perhaps the reason is that we have been extremely busy in the work of the Lord. We conducted a D.V.B.S. at Bloomfield following Beulah. We both taught in this school, so we took our trailer and stayed there during this time. About 95% of the children attended from that area. Then Riverside Camp was to be attended and enjoyed. After this we had a D.V.B.S. at Royalton. Again we both taught, along with Rosella Weade. Mrs. Robert Jewett taught at Bloomfield. We did appreciate the help of these two young ladies.

In September we were with Rev. Kenneth Jewett for services in Middle Southampton. Rev. W. C. Wilcox was with us for services here at Royalton, in November. His messages were of the finest kind, and the anointing of the Lord was felt in all our meetings.

The Royalton church entertained the Quarterly Meeting the first week in December. This was a time of blessing and help.

Brother R. H. Nicholson is coming with us for services at Bloomfield beginning April 8th. Please remember to keep these services on your prayer list.

This is our fourth year with the churches here. We have learned to love and appreciate the people of both churches and communities.

Thanksgiving time both churches were decorated to fit the occasion, each having a donation of farm produce and groceries for the pastor and family. Also at Christmas time we were made to feel the love and concern of these people in a tangible way, and the children were also remembered.

Mrs. Stairs has suffered a physical set-back the past few months. The Doctors tell her that she was carrying too much burden and work. She has been having two missionary prayer meetings and two auxiliary meetings each month.

May God help us to be worthy of this great work.

In His Service,
Arnold and Leota Stairs.

Havelock, N. S.

While we have nothing outstanding to report, we do praise God for His blessings upon us in many ways.

As we look back upon the past five years since coming to Havelock, we could not help but praise the Lord as we see His hand upon us all the way, and His goodness in giving us a people who are loyal to the Christ they love.

The work has made steady progress, as God has blessed the efforts of pastor and people. Some improvements have been made on the parsonage, a bath room, has been installed, a new flue built, and a well drilled.

The folk have been very kind to us as pastor and family, with generous donations during the year and many good and useful gifts at Christmas time.

Would you join with us that God will give us a real revival this spring with Bro. Nicholson as evangelist.

D. C. and Mrs. Webb.

Presque Isle, Maine

Greetings from Presque Isle, Maine. Several months have passed since our last report to the Highway. We came to Presque Isle in June to take up pastoral work with the fine people of the Presque Isle church, and find the work most encouraging.

Good attendance at all our services, with a revival spirit, and for the last few weeks people at the altar.

We must say we enjoyed the work at Old Town with the wonderful people there, and had four years of fruitful service for the Lord. To God be the glory.

Just a note about the highlights of the past few months. We had a fine revival meeting with Rev. J. A. Blinn as evangelist. God's blessing was on all the services with several at the altar.

Our Young People's Society has elected new officers.

Mrs. Ronald Madden, President, Miss Leona McLellan, Vice President.

We are trying to pay off the mortgage on our church this year. The young people of the church working with us in this endeavor and collecting funds.

We solicit your prayers for a real old-fashioned revival. Our next special campaign is planned for April 9-20 with Rev. Joseph Bierce, of Birchnell, Indiana.

"Where there is no vision the people perish." Prov. 29:18.

God bless you one and all.

Yours in His Love,
H. O. McGeorge.

SUNDAY SCHOOL CONVENTION

On November 22-23, at the Reformed Baptist Church, Moncton, District No. 2 held a Sunday School Convention under the direction of Rev. Ralph Hobson. This was the first such convention in our denomination.

A public service on Friday evening marked the opening. Brother Hobson brought a challenging message in which he exhorted us to be zealous workers for Christ.

On Saturday, morning and afternoon sessions were held for delegates registering. The day began with a devotional period at 9 a.m. Other activities of the day were workshops, film strips, addresses, and discussion periods. Two very interesting group discussions were directed by Grant MacCallum and Mrs. Beatrice MacNulty, dealing with the teaching of adult and primary classes respectively.

At the closing service on Saturday evening, Brother Hobson made a stirring appeal to parents to guide their children aright by home discipline and godly example.

We feel that such conventions can be a great source of help in promoting our Sunday School work, if our people will give them their whole-hearted support.

Brother Hobson is to be commended for the well arranged program. We realize that it must have meant many hours of work for him behind the scenes.

Plan to attend the convention in your district!
Stillman Cameron

Churches of Distinction—From Page 3

nerism his position can encourage. But the problem of the church is basically a problem of the constituency. Churches are democratic, and as such have the right to demand a program with a heartwarming message of evangelism, instigated by time-proven methods and characterized by mannerisms demonstrably different.
