

Ministers and Churches

Bethany Bible College opens its doors for another year. May the blessing of God be upon this important branch of our denominational work.

Plans for erection of the Children's Tabernacle at Beulah are moving along under our aggressive brother, Rev. Jack Stevens.

An evangelistic campaign is scheduled for our church at Fredericton, N. B., Sept. 21-Oct. 5. Rev. James Lentz, of Marion, Indiana, and Paul Mullen, are the engaged workers. Brother Lentz and wife will also be with Rev. C. E. Stairs and our church at Truro, N. S., Oct. 6-12.

Our churches are in need of special prayer as they swing into the busy programme of the Fall and Winter months. Faith is the victory!

QUIET TIMES WITH GOD

I want to bear my testimony to the ineffable sweetness and sacredness of the early hours of communion with the Lord. How they detach the soul from the grip and pull of mere earthly things! How they maintain in the soul the supremacy of the spiritual, and how they enrich the secret springs of the soul's life; those quiet hours spent unhurriedly in the presence of our Father and our Lord!

Dr. Charles Inwood.

TABERNACLE DOLLARS

The above heading is the name of a tag that will be appearing in your midst during the month of October.

The objective set to be raised for the building of the Children's Tabernacle is \$1500.00, and The Junior Crusaders are doing their best to raise that amount. However, it has been suggested that the objective is too high for their group, as a number of our churches do not have The Crusaders. To supplement their efforts, the Tabernacle-Dollar drive has been organized for the month of October.

A number of children in your church will be accepting donations for the tabernacle; in turn they will give the donor a tag, which we would like him to wear, or put in a conspicuous place so that it will bring the project to the attention of others in the home or church.

Each church will receive a receipt for the amount received from their district.

If you are not contacted, you may send your donation direct to the undersigned.

We want the project to be kept within the boundaries of our homes and churches so that it won't be of a worldly nature.

In His Service,
Jack Stevens

WHAT EVERYONE CAN DO

The great Wilberforce wrote to his son: "Let me urge you not to be seduced into neglecting, curtailing or hurrying over your morning prayer. Of all things, guard against neglecting God in the closet. There is nothing more fatal in the life and power of religion. How much better I might serve God if I cultivate a closer communion with Him."

Haste in prayer means fever and failure. Time spent in prayer is time saved.—The Christian Herald.

A young Christian, packing his bag for a journey, said to a friend, "I have nearly finished packing. All I have to put in the bag yet are a guide book, a lamp, a mirror, a microscope, a telescope, a volume of fine poetry, a few biographies, a package of old letters, a book of songs, a sword, a hammer, and a set of books I have been studying." Then he placed his Bible in a corner of the suitcase and closed it.

When a trial is past, one does so bitterly regret not having trusted Him entirely in it, and one sees that we might as well have had all the joy and rest of perfect trust all along.
