### BEULAH NOTEBOOK, 1958

"The best Camp Meeting I have attended"...the comment of of a three-score-and-ten attendant of many such meetings of the past. Any who may not be sure as to comparison with former years, will certainly agree that it was one of the best!

As beautiful and sacred as ever, the Camp Ground was once more a hallowed spot for ten wonderful days of prayer, praise, and promotion of the Master's good work.

Our evangelist for this year, Dr. Roy Nicholson, was beloved by all. Humble, devoted, biblical in preaching, humorous, he ranked with the best men who have preached from the Tabernacle platform. Many share the hope that he will be with us again in the not too distant future.

The hotel service was very fine. Mrs. Rice and Miss Landers, of Havelock and Sandford, N. S., were wonderful cooks. Rev. and Mrs. Hobson did excellent work planning and supervising the meal service, and the large staff of helpers rendered a much appreciated labour of love. We looked forward to our meals with anticipation and backward with pleasure. Our thanks to the management and staff of Beulah Hotel:

A new water system operated with reasonable satisfaction. Under the direction of our Alliance Superintendent, Rev. F. A. Dunlop, and the Chairman of Beulah Grounds Committee, Rev. R. G. Morehouse, a 200 foot well was drilled before Camp time and a pressure pump installed. The supply of water was not quite adequate to the Camp's demands, but the well will be drilled to greater depth with assurance given us by the drillers that a water supply fully adequate to our needs will be located. This is an expensive project, involving an outlay of more than \$3,000. The people attending the Camp responded very generously to an appeal presented by our Alliance treasurer. Rev. L. K. Mullen, in behalf of the Alliance, for funds to meet this need. Any who were not at Beulah who would be interested in contributing to this important project could write Brother Mullen at Woodstock, N. B.

As usual, attendance at the Camp Meeting services was excellent. The commodious Tabernacle was well filled every evening, and was much too small to accomodate the Sunday crowds. Visitors were present from far and near, from four of the Canadian provinces, New Brunswick, Nova Scotia, Prince Edward Island, Quebec, and Ontario; and from at least eight of the States of the U. S. A.: Maine, New Hampshire, Massachussetts, New York, Indiana, Michigan, Pennsylvania, and California.

Among distinguished guests attending this year's Camp Meeting were Dr. George Warner, President of World Gospel Mission, and Mrs. Warner, of Marion, Indiana, and Miss Myra Martin, R. N., missionary recently returned from India.

Revs. Kenneth Sullivan, Willard Wilson, and R. T. Sellick, of the Church of the Nazarene Rev. R. L. Casement, of the Free Methodist Church of Ontario, and Rev. E. M. B. Wheelock, Maritime Secretary of the British and Foreign Bible Society, were among minister visitors attending the Camp.

Fine music was a feature of our Beulah services again this year. Mrs. Ralph Hobson played the Hammond Organ, kindly loaned to us by the Willis Music Co., of Moncton, and was ably assisted by Arthur Ingersoll and Mrs. Glendon McCrea; Mrs. Hazen Ricker, Mrs. Stillman Cameron, Miss Shirley Justason, and others served as pianists; the Camp Choir, under the direction of Rev. Ralph Hobson, was a great asset to the musical programme of the Camp; a fine array of musical talent sang for us in the various services; a male quartette from Eastern Nazarene College was heard with appreciation, and their instrumental quartette, a trumpet trio with Hammond organ accompaniment, was delightful. Fine music all the way.

A brief memorial tribute was paid to Rev. H. S. Mullen by our Superintendent, at the opening of the ordination service. Lics. Bernard Brown, Oland Kent, and Gerald MacKinnon, received ordination credentials. The ordination sermon was preached by Rev. H. E. Mullen.

Again this year, a large attendance of young people at Beulah. A sight to inspire...scores of young people in each service of the Camp, forecast of a promising future for our Church. Elected to lead the Young People's Association in its activities during the next church year were Merle Smith, of Moncton, and Bernard Mullen, of Fredericton.

More than 100 children enrolled in the Daily Vacation Bible School classes. Mrs. Leslie Black, with a fine staff of assisting workers, did splendid work in this very important phase of the Camp's activities. The D. V. B. S. programme was an inspiring service.

Mothers and children particularly were loud in their praise of the play-ground space and equipment arranged through the interest and labour of Rev. Jack Stevens and assisting workmen. A fine addition to the Camp facilities. Our thanks to Jack and all who assisted either in work or contributions.

The Beulah Broadcasts, half hour recordings taped in the Tabernacle and released over radio station CFBC, Saint John, N. B., were aired again this year. If you heard these broadcasts and enjoyed them, would you write a few lines letting us know? And if you want to express your appreciation in a very practical way, send a contribution to our Alliance Treasurer, Rev. L. K. Mullen, Woodstock, N. B. These broadcasts cost us a total of more than \$130.00. Are they worth the investment?
