

CHURCH NEWS

Beals, Maine

We feel it our duty, at this time, to write a few lines of commendation and worthy praise, to the good people that God has privileged us, to labor with of late.

We had a year of blessed fellowship in Houlton, with the most loyal group of people we have ever tried to pastor. Their gifts, and acts of kindness, from time to time, will never be forgotten. God bless them is our prayer.

Since coming here, we have again been reminded, that God's people are the best in the world. After a warm reception, including personal gifts and a purse of money, also a new pressure pump for the parsonage, costing over one hundred dollars, the church folk immediately began a much needed paint job on the interior of the church, with some touching up outside also, amounting in all over one thousand dollars. But a beautiful job was done, and how we did praise the Lord, even though it was hard times for the lobster fishermen.

In October, we held a ten-day revival meeting with Rev. and Mrs. Floyd Flemming from Wollaston, Mass. This was another time of rich blessing to the church. Several of the young people found God, and are keeping true. The people are still talking about the truth our brother presented, in such a humble and yet scholarly way. Then Thanksgiving and Christmas were times of gifts and love offerings, until our hearts and heads, were bowed in wonder, and gratitude, as a family.

After special prayer meetings were held, with great benefit, through February, we were happy to receive word that Rev. Lawrence Mullen could come with us for a meeting at Alley's Bay. This proved to be one of the most powerful meetings, in spirit, and conviction, we have experienced in a long time. Bro. Mullen's messages were Spirit-filled, tender, and yet forceful. Men and women wept, night after night, under the power of God's presence. Some yielded, and were gloriously saved, sanctified, and blessed. Conviction is still on many hearts, and our attendance is increasing in every department. We are praying that others may get in this Easter season.

We have answered a unanimous call to stay as pastor for another year. May God bless you one and all.

QUARTERLY MEETING REPORT

The Quarterly Meeting of District No. 4 convened with our Church at Bethany Bible College, Yarmouth, N. S., March 6-9. The fire hazard seemed to threaten the idea of a Quarterly at our School for awhile, but because we had a people "who had a mind to work" the walls were built and we had a gracious time of fellowship at our College.

Saturday, the ladies brought in food, and Sunday many of the delegates ate at the College.

While we were privileged to enjoy the many material blessings of life, God's presence was felt in a real way.

Thursday evening Rev. S. W. Ingersoll brought a challenging message. Friday evening Rev. W. C. Burbury spoke on the theme, "How to be used for the Lord."

During our business session, reports were given from our churches that seemed very encouraging. The general feeling is for a greater outreach in this Province, with

the cause of Holiness. Two protests were sent to the Officials of our Province, one concerning the liquor traffic and the other concerning extensive trucking on Sunday.

Saturday evening Lic Gerald McKinnon brought the message. Sunday a.m. the love feast was conducted by Rev. H. C. Mullen, Rev. S. W. Steeves, K. E. Gorman, and D. C. Webb, brought the messages through the day.

We praise the Lord for another time of fellowship and blessing.

S. W. Steeves, Sect.

REV. F. A. WATSON ENTERING EVANGELISTIC FIELD

It is with more than usual satisfaction that I announce the above fact. Many of our churches who know Brother Watson will be as happy as I. It is not easy to engage an evangelist so well qualified as is F. A. Watson. His record as pastor among us is unique. Brother Watson has given some thirty-two years to this field and has ministered not only to our better churches, but this long ministry has been divided between but four of them. This in itself is an enviable record, and speaks high commendation of the man.

As a preacher, Brother Watson has always sustained the doctrines of our Church. His is a clear, clean-cut, full-salvation, message; his record, as a man, is unimpeachable; his sincerity is genuine. It has been my privilege to work with Mr. Watson in numerous Christian relationships and I have no hesitancy recommending him to any church needing a revival. Our people should keep Brother Watson busy. Plan now a Meeting with him this coming year.
