UNION WITH JESUS . . . From Page 4

Does your heart consent to this, my brother? If so, make a perpetual covenant with your Lord just now. Do it intelligently. Do it with a true heart, in full assurance of faith, and God will seal you for his own. Do you waver. Do not doubt. Do not cast away your confidence because of your feelings or lack of feelings, but stand by your facts; walk by faith, and God will soon prove his ownership of you in a way that will be altogether satisfactory to both your head and your heart, and convincing to men and devils.
