

Central Woods Harbour, N. S.

Greetings from Wood's Harbour. A few words is due concerning the work of the Lord in this area. We feel first to praise God for the fact that He is still able to save and sanctify. Praise His holy name!

Following Beulah Camp our spare time was quite well occupied with, Bethany Youth Camp, D.V.B.S., and then a two-week tent meeting with Bro. Burbury, at Ingomar.

Nothing outstanding took place here during the Fall, but God's people were faithful in prayer, trusting for a real spiritual awakening. How we thank God for a people who love to pray!

At the beginning of the New Year, two weeks before our revival campaign, God was pleased to give us six souls at a Sunday evening service. The following Friday night, at a Cottage prayer service, two more souls, one an elderly man, sought the Lord. Isn't it wonderful what God can do!

From Jan. 29-Feb. 9, we were privileged to have Rev. R. T. Sellick and Paul Mullen with us. Although Paul was unable to be with us for the full time because of his Dad's illness, and Bro. Sellick had to leave before the last Sunday due to death in his family, yet God was pleased to overrule circumstances and gave us a wonderful campaign. Bro. Sellick's ministry was heart-searching, and Paul's music soul-thrilling. As we sang together, "It is no secret what God can do."

Another important feature of our work, is our men's group, which meets each Monday evening at different homes in the community. It certainly is encouraging as we see the unsaved coming in to study the Word of God with us.

Please pray for us that through this contact these men might be saved.

As we continue to labour for the Lord during the coming year, we solicit your prayers for a real Holy Ghost revival.

Yours for Souls,

Stewart and Phyllis Steeves.

JUNIOR CRUSADERS

Dear Crusaders,

During these recent months, I have been thinking about all the Crusaders and their leaders. God certainly has given us a wonderful winter season which has made it easy for all you Crusaders to attend regular meetings and to invite other boys and girls to go along with you.

Are each of you doing your best to interest other boys and girls to join your Crusader Club? Why not go out during the month of March and each one gain one so your attendance will be doubled? Go to the homes in your neighborhood where there are boys and girls who do not attend Sunday School and invite them to go with you. Invite them again and again if they don't go when you first ask them. Many of these children really want to go with you, but are waiting for your extra interest. Your invitation will be necessary to get them into your Club. As new members join your Club be friendly, be helpful, be prayerful, and be kind to them, in order that they may keep coming and studying God's Word with you.

An invitation to your Crusader Club may help win some child for Christ. Recently I talked to a college student who is a christian today because someone invited her to D. V. B. S. Her family is not Christian, but she got saved and will become a Christian teacher because some girl invited her to V. B. S.

Are you doing your part to help send money to Africa to buy supplies for the new hospital? Remember that the CRUSADERS are going to put some needed equipment in that new hospital. What a joy it will be to our hearts to know we had a part in helping some boy or girl so far away to recover from illness! Let's save pennies, nickles, dimes and even dollars to send to this new project.

Are you learning the catechism and the verses from God's Word? Remember God's Word "is a lamp unto our feet" and "a light unto our path". Hide it away in your heart.

God bless each of you and your leaders as you study together.

Sincerely,

Ruth Black
