

Ministers and Churches

Our church at Saint John, N. B., had a successful Sunday School campaign during the month of November. For five Sundays record high attendances were registered, with a fine spirit of co-operation and enthusiasm prevailing. Congratulations to the pastor, Rev. W. L. Fernley, and his people!

A fine response to the special appeal for our foreign missionary enterprise! See report on Missionary Page.

The Highway editor received a nice letter from Rev. and Mrs. H. L. Robertson recently. Howard and Jessie are now located at Mullen, Nebraska.

Also a welcome letter from Rev. and Mrs. R. H. Parks. Ray and Faith are now located in Waterville, Vermont.

An evangelistic campaign is scheduled for our church at Fredericton, N. B., for Jan. 26-Feb. 7th. Rev. E. A. Cooper, of London, Ontario, is the engaged evangelist.

Miss Vilis Hayes, who has been serving as a member of the headquarters staff of the Oriental Missionary Society, at Los Angeles, California, is scheduled to go to South America early in the New Year. "Vi", as she is known to her many friends, will be on the O. M. S. staff at Medellin, Colombia, and will also do field missionary work, especially among children. The prayerful interest of our pastors and people will follow Sister Vilis as she journeys to the land of her calling and serves the Lord there.

How wonderful it would be if 1960 were entered in to the records as the greatest year we have known in our denominational history. Why not?
