

Ministers and Churches

A new parsonage is being built at Sussex, N. B. A 28 by 38 semi-bungalow type building is being erected at the rear of the church building, and it will be a very fine and practical addition to the lovely Sussex property. Congratulations to Brother Nicholson and his people for their vision and initiative!

The Marysville, N. B. Sunday School established a new attendance record for itself Oct. 4th. with 315 present at a Rally. A commendable accomplishment. May it provoke others to love and good works!

Reports of revival fires burning on the Island of Grand Manan ... An evangelistic campaign at Woodward's Cove, N. B., with Miss Sheila Graham assisting the pastor, Rev. J. A. MacKenzie, was blessed of God in a most unusual way. The impact of the Spirit's moving was felt over the entire island and a large company, mostly young people, sought the Lord. Many of the converts were students of the Island High School. A more detailed report will no doubt be sent in by Brother MacKenzie.

Bill and Elsie Morgan are holding missionary meetings and conventions with many of our churches, prior to their return to Africa. Tentative sailing date for the Morgans is late November or early December. A farewell service will be held at Millville, N. B.

Fine reports from Bethany Bible College. A record enrollment, a fine beginning for the new music department, a splendid atmosphere, young people finding the Lord. May this be a banner year for Bethany.

Disposal of surplus buildings and equipment in relation to the army camps at Sussex, N. B., purchased as a temporary site for our Bible College, are proceeding satisfactorily. Prospects are most encouraging. A fuller report of developments will appear in a later Highway. In the meantime, committees are active in planning for the preparation of the buildings for occupancy next year. Much prayer is needed for this vitally important project.

A cash offering of \$1150.00 in the Sept. 27 morning service of our Woodstock, N. B. church wiped out all indebtedness against the church. The faith and works of our pastors and people there have produced remarkable results, and we rejoice with them. May the good work continue under pastor L. K. Mullen.

COUNT YOUR BLESSINGS

One night during the Chapman-Alexander meetings, a poor paralytic was wheeled down the aisle and placed just before the platform. In the preliminary part of the service, Mr. Alexander caught sight of him and said, "What is your favorite hymn?" He immediately answered, "Count Your Blessings." There was no complaint, no wail; but a deep sense of the goodness of God.—The Christian Age.
