

Ministers and Churches

Song Evangelist Paul Mullen will be at Fredericton, N. B. New Year's week-end for services with Rev. B. C. Cochrane and our church there.

Sister Alice Sterritt suffered a slight stroke recently and is in state of physical weakness. She has recovered sufficiently to be quite active and we hope that she may gain strength day by day.

We are pleased to announce that regular contributions to the Highway will be made by a number of our ministers during the year 1960. Our Superintendent, Rev. F. A. Dunlop, Rev. E. W. Tokley, Rev. N. E. Trafton, Rev. A. D. Cann, and Rev. E. K. Mullen will be among our regular contributors. We are sure that this announcement will be welcomed by our Highway readers.

To all our faithful pastors, and all our fine lay people, the Editor and Business Manager of the Highway extend cordial Christmas greetings and all good wishes for a blessed New Year.

CHRISTMAS GREETINGS

Misses Helen and Alice Sterritt, retired missionaries now living at Hartland, N. B., wish to extend Christmas greetings to their many friends. Because of Miss Alice's ill health, they will not be able to send out card greetings as in former years, and they hope that this message will be accepted in place of the personal cards.

cover the sea." Then and then only shall every man dwell "under his vine and under his fig tree; and none shall make them afraid."

What a glorious consummation that will be! Universal peace among men, universal adoration of our God and King. Sin cleansed from the hearts of men and banished from the walks of men. God dwelling among them, spreading his tabernacle over them. Eden become universal. "They shall not hurt nor destroy in all my holy mountain." "The lion shall lie down with the lamb, and a little child shall lead them." Sin gone, Satan gone, death gone, tears gone, pain gone. Peace here, righteousness here, holiness here, love here, life here, the Trinity here! All God's universe—all the world—bathed in dazzling glory, eternal in the center of which man redeemed from all his ills occupies the front of the stage as the chief revelation of God's glory and the fulfilment of the angels' song.

stand for many years to come, it will be a constant reminder that when the Lord and people get together great things can be done.

Senkobo Outpost

This is to the north of Livingstone and was opened by your editor the beginning of this year. The work is developing there and we do praise God for what has been done. This outpost is on a farm and people are starting to come from the surrounding farms as well to worship the Lord. We have made application to open a school there as the nearest school is eight miles away and none of the children are getting any schooling at present. The people there speak a different language to those in the

OUR CHRISTMAS CAROLS

began when God became incarnate in the Babe of Bethlehem. This Babe was destined to remove the curse which came by Adam's fall. Thus this old Jewish Psalm became a Christmas song. It is one of the most joyous Christmas songs because it gives us a deep and solemn realization of what Christ's birth has meant to mankind.

reserve where most of our work is. We are fortunate however that one of our converts from Libuyn in Livingstone is of the same tribe and he helps a great deal at this work.

His name is Dalington and just now he is down near Bulawayo in Bible School. He is called to the Lords work and we hope that when he comes back in December he will be made a lay preacher and perhaps he will be located up near Senkobo as there is a big area up there with no Mission work. Do pray for him and for this new work that God will work in a wonderful way and that the Gospel will reach many of these Lozi people.
