

## — Quarterly Meeting Reports —

### AROOSTOOK DISTRICT

The Quarterly Meeting of the Aroostook District convened at Perth, N. B.

Rev. H. M. Kimball brought the opening message on Thursday evening, speaking to us concerning the glories of heaven. It was a service not soon to be forgotten.

Friday night was "Youth Night" during the Quarterly, and the church was filled to overflowing. We were very pleased when the young people from our new church at Houlton won the banner.

The services on Sunday were well attended, and there was a good representation from the various churches. We were also privileged to have our superintendent, Rev. F. A. Dunlop, with us throughout the meetings.

On the whole, it was a splendid Quarterly. Preaching was of a high order, and our fellowship was good in the Lord. Our prayer is that God will continue to make our Quarterly Meetings rich times of blessing.

Reported by S. W. Cameron

### CENTRAL NOVA SCOTIA

Our Spring Quarterly meeting was held at Amherst, March 7th, 1959. We regret that some of our pastors and people were absent because of road conditions and sickness. They really missed a blessing for God visited us with refreshing and blessing. We felt the power of God in a real way in the activities of the day.

Rev. Harvey Amos, of the Bible Missionary Church, lead in our devotional session, speaking from Phil. 4:5. We were thrilled as we thought of the real spiritual dress of the christian. It was good to hear many testimonies of saving grace and sanctifying power. We do believe in holiness here in our District.

I felt honoured to speak in the evening service. God is faithful and I thank Him for the liberty He gave as I spoke from Gal. 2:20. Praise His wonderful name.

The main thing we discussed in our Business meeting was ways whereby we might arouse more interest in our Quarterly Meetings. The feeling of our people was we should have regular and longer Quarterlys.

Bro. Milton Bagley was the president of our Quarterly and he expressed his regret for the resignation of so many of the pastors on this District.

All in all we had a wonderful day and thank the church and pastor at Amherst for their invitation and hospitality.

Yours In His Glad Service,  
Sec'y L. W. Corey.

### THANKS FROM BEULAH CAMP HOTEL COMMITTEE

On behalf of the Hotel Committee of Beulah Camp as well as on my own behalf, I wish to extend sincere thanks and appreciation to churches and church groups who made contributions of tea towels, pickles, etc. last summer. I regret that I do not recall the various groups by name that donated supplies for use in the dining room and kitchen. To name each church and group by name and give them public recognition is my desire but not having written names down at the time while in the line of duty last summer, these names have slipped my memory.

Ralph Hobson,  
Chairman Beulah Hotel Committee

The King's Highway

### Port Maitland, N. S.

We would like the opportunity of speaking a few words again to the praise of God and the good people of Port Maitland and Brazil Lake.

We recently, had a two weeks meeting with Rev. R. T. Sellick as evangelist and Rev. Bridgeo as soloist and song leader. We had a very good meeting. Much of the blessing of God was present in our midst. We had three conversions, and a number seeking sanctification - twenty three in all. Some of these were from the outlying district. God was in our midst in a real way, and we do give Him the glory.

We began the church year with a week-end of meetings in July, shortly after Beulah, with Rev. Bridgeo as speaker. It was a real pleasure to have our brother with us after so long an absence.

August 10th, we had a very impressive service at which time there was the dedication of an electric organ placed in the church by Mrs. Helen Churchill in memory of her husband and two children. We also had a baptism in August.

During the Fall and Christmas, the churches remembered us with a donation and gifts. God has been good. We feel privileged indeed to have been called to minister to such a fine people. This will be our last year with them. The ties that bind us to these good people will be hard to break. However, trusting in His guiding hand, we look forward to the future.

S. W. & Mrs. Ingersoll

### Fort Fairfield, Maine

Dear Highway Friends,

"O magnify the Lord with me, and let us exalt His name together." We would honor the Lord by reporting a moving of His Spirit in our midst.

For sometime we have seen the hand of God at work. Interest in spiritual things and attendance at church have greatly increased. During the past year we have seen many spiritual victories. Our revival meetings with Sheila Graham were truly times of refreshing from the presence of the Lord. We hesitate to speak of numbers at the altar, suffice it to say that a large number sought the Lord. The Spirit of revival lingers and we continue to have good altar services with many definite victories.

This work has been wrought in such a manner that only the Lord can take credit for it. None of the things so often thought necessary for revival were present. From the natural stand-point many things were opposed to success. But our God revealed Himself and proved that the Gospel is still the power of God unto Salvation. From observing this work, I would say that the Holy Ghost is all we need to have a revival.

We feel we have reaped what the people produced by their faithful prayers. Fort Fairfield has some of the most earnest praying people to be found. We appreciate the privilege of ministering to this spiritual church. The people are most kind and helpful. I feel that without them we would accomplish very little. They have given us a unanimous call for another year.

We have nothing to boast of by way of machinery, building programs, offerings, etc., but there is a spiritual atmosphere that prevails such as I've never experienced elsewhere. "The Lord hath done great things for us; whereof we are glad."

Rev. and Mrs. Leslie Hicks.
