### ANNOUNCING THE MINISTER'S MEETING

The Time? May 19 - 21. The Place? Barker's Point Reformed Baptist Church. The Speaker? Dr. Oliver Wilson. The Purpose? A renewing of the mind; a quickening of the spirit; a deepening in the Grace of God. The previous Conventions have been so enriching we want none of our pastors absent unless it is unavoidable.

We have no way in these Conventions of meeting the minister's travelling expenses, we must therefore, ask the individual churches to care for this. Please, make satisfactory arrangements. Your pastor may miss getting to the Convention unless you do.

Some very interesting matters will be up for discussion at this Meeting. Some things we have long lacked time to consider will be up for debate at this Convention. We need every pastor to share in the responsibility.

We can afford to spend much time in prayerful preparation. This could well be a history making Session.

Fraser A. Dunlop.

### HAPPINESS

Happiness does not come by indulgence. You can get certain things that resemble happiness by indulgence, but not happiness. Christ laid down the road to happiness a long time ago in that sermon on the Mount, and it has never changed . . . Here He gives nine routes to happiness and they all converge in Jesus Christ . . . true happiness is not dependent on outward circumstances but rather on inward harmony.—F. Lincicome.

### TIME FOR DECISION

The arrival of Spring calls for haste in our making decision concerning putting a basement under the proposed Children's Tabernacle at Beulah Camp. Decision to go ahead can only be made as we have prospect of financial support.

Obtaining the building, moving it to the Camp Ground, and preparing the building site was financed through contributions received last Fall. Now we are faced with the task of erecting the building on the chosen site, and the cost will be considerable. After the building is put up it will need painting and then we shall have to obtain chairs or seats.

If the individuals who stated that they planned to contribute would do so now, and churches that have promised support would do likewise, we would have the help we need.

Eight hundred people responded with one dollar gifts last Fall. Perhaps each reader could spare another dollar at this time. If so, please send it along before the matter slips your mind! Send all contributions to Rev. Jack Stevens, Norton, N. B.

### THE IMPORTANCE OF PRAYER

There is nothing in the Christian's life that does not depend on prayer. We must kneel to conquer. From the case of the young convert just beginning the Christian life, to the preacher greeted by overflowing congregations wherever he travels, there will be tragic failure unless prayer is the dominant experience of life.
