BIBLE SCHOOL AND YOUTH

It was our privilege during recent years to have done some deputational work among our churches in the interest of Bethany Bible College. One of the observations we made was the tremendous help our young people have been in supporting Bethany.

Many of our individual societies have sent valuable financial contributions to Bethany to say nothing of the tremendous help which has been given by the Young People's Association. In addition to this, we are mindful that much of the regular giving by the various churches has been made possible because our young people have been faithful givers to the church.

There seems to be a logical reason for this faithful support. We believe it is because our young people have an appreciation of true Christian values. These values can best be realized through Christian education. In view of this fact, the Bible school is more than a place where our young people receive an education under qualified spiritual leaders. It is a place for service. By supporting the Bible School, our young people are engaged in Christian service. This service may seem somewhat indirect; however, it is a positive service which has its fruit in the preparation of lives for a richer and fuller service for God.

Our young people are aware that February 14th. is designated as Bethany Sunday. We are confident that you will continue to boost Bethany. Give generously and share in the greatest enterprise of Christian service— instruction in the principles of Christianity.

TESTIMONIES FROM BETHANY

If I could express in words what Christ means to me, the world would soon be won for Christ. I was saved when I was fifteen years old. I have found that Christ satisfies a young person's heart.

Leonard O'Donnell

God's Salvation is real and wonderful to me. I know Him in saving and sanctifying power. He has called me to serve Him in Africa. With the assurance of my call I know He will be faithful to help me. I want to go and reach the heathen for Christ

Donna Fawcett

I praise God for the privilege of attending Bethany this year. I thank God for his Love and for the Holy Spirit which purifies my heart. My Savior satisfies completely.

Ruby Jewett

"Of all the work that is done or that can be done for our country, the greatest is that of educating the body, the mind, and above all the character, giving spiritual and moral training to those who in a few years are themselves to guide the destinies of the nation."
