MISSIONARY LETTER

Dear Highway Friends,
Greetings in Jesus' name.

Beulah — dear old Beulah! The memories oh so sweet! One longs to be there again with you all this year. What Beulah has meant to me! Spiritual battles, victories, blessings and visions and revelations of God's will for me! I'm so glad I obeyed Him. He has never failed to keep His promises to me. He is so wonderful to me. Praise His name! He is my Saviour, Sanctifier, Keeper and coming Lord. Oh! to be counted worthy to be His Bride, Oh, to be able to stir others to be ready too!

We had to leave our nice home at 184 Hlobane Street, as the house was sold. We at last found some rooms at 110 East Street where we are living now.

Since coming here and during the past year, we have had a goodly number come for spiritual or medical help. Some we have visited in their homes and prayed with. About four natives have been converted — two of these last month. One of our first converts returns frequently for spiritual help and said he wants to unite with us. He was in desperate need last time — The Devil's servants had assailed him and he was sidetracked — suddenly he realized it and being baffled came for help. He told me his troubles and from God's precious word I was enabled to give Him the needed enlightenment. There is a young preacher here (a R. B.) graduate from our Bible School. He is trying to contact him and needs your prayers. I told him of this troubled soul. He is a fine worker!

Then there is the Russelite convert. She came selling eggs. I asked, "Have you been saved?" She did not know what that meant. I carefully explained. She had left the Lutheran Church, and joined the Russelites. I said "Your soul is seeking something — it is this — salvation." Her amazing reply, instead of the usual argument, was, "Yes, I want it." It was just a few minutes later that she arose from her knees with a shining face saying, "I've got it! Jesus saves me!" She also needs prayer.

We have frequent calls from our missionaries — Paul and Mary and their two sons stayed 2 days with us on their way to Durban. The Gormans and the Morgans called in. In April Charles, Myra and family called in. Glendon and Betty and Bro. Eugene Kierstead also were here. Sunday we visited the Kiersteads. It was good to hear how God undertook for Bro. Eugene when he was so very ill. Truly we have a wonderful God who answered prayer.

We pray that you will have a very blessed time at Beulah this year — and those of you who cannot go will be blessed at home.

With best regards, yours for souls,
Grace Titlestad,
110 East Street,
Vryheid, Natal, South Africa.

Sorry we were unable to get this letter in a pre Camp Meeting issue of the Highway. B. C.

NEEDED FOR MISSION HOME

The Foreign Mission Board issue this information to our people: Our Mission Home at Hartland, occupied by the Sterritt Sisters, is in need of some repair and the installation of furnace oil burner. We have had an estimate that the work can be done, with a burner installed in the furnace now set up in the parsonage and in good condition, and the needed repairs and improvements on the outside of the building, for between four and five hundred dollars. We have nothing in missionary

funds to cover a project of this kind, but feel sure that our people will want to give support to it by special contributions. If the Lord prompts you to help, will you communicate with either the president of the F. M. Boards, Rev. B. C. Cochrane, Fredericton, N. B., or the Treasurer, Rev. S. W. Cameron, Perth, N. B.

★ ★ ★ — BEULAH NOTES —

(Continued from Page One)

all present who stood to honour the memory of one described by the speaker as "a great character, a great man, and a great preacher" Rev. Sewell Hilyard, and his son Robert, son and grandson of the deceased, were present for the Memorial Service. In the Ordination Service following Lics. Kenneth Gorvette, Stafford Hutchinson, and Gerald Inman, were set apart to the work of the ministry by the laying on of hands. Rev. A. D. Cann preached the Ordination Sermon. Rev. Kenneth Gorvette is a member of our Moncton Church and is beginning his third year in pastoral work; Rev. Stafford Hutchinson is a member of our Salem Church and Rev. Gerald Inman is a member of our Perth Church, both these men now beginning their second year in pastoral work.

.....
An added feature of this year's Beulah Camp Meeting programme — an hour of sacred music the last Saturday afternoon sponsored by the Young People's Association and directed by Song Evangelists Deverne and Paul Mullen. This service will likely be reported on the Y. P. Page, so we will not repeat.

.....
A blessed spirit of liberty in the Beulah services this year. There was "a shout in the Camp" and a wholesome freedom upon the services. Tears of joy and songs of praise were mingled with the shouts, a variety that was indicative of a true Holy Ghost liberty. There was little evidence of demonstration to attract attention, or demonstration to imitate. There seemed to be a general desire to obey the Holy Spirit. How good and how pleasant to dwell together in such an atmosphere! I'm glad I was there!

.....
Victory and blessing around the old Tabernacle altars this year! With the exception of the opening service of the Camp, there were seekers in every evening service. How many, I wouldn't know, but the total would run high. And earnest seekers they were. Tearful petitions and trusting faith brought blessed assurance. Shining faces and ringing testimonies were convincing evidence of grace received. And so the unnumbered host who have found the historic Tabernacle a Bethel to their souls, hear new voices joining in the song "There is a spot to me more dear than native vale or mountain, a spot for which affection's tear springs grateful from its fountain; 'tis not where kindred joys abound, tho' that is almost heaven, but where I first my Saviour found, and felt my sins forgiven!"

.....
Rev. J. A. Moses rendered earnest, faithful, courteous service as chairman of the Camp Meeting. For his labour of love we are grateful.

.....
Since it has to come, it is nice to see it this way! Hundreds encircling the Tabernacle to sing "Blest Be the Tie" and "God Be With You", join in a last prayer together, and wish one another God-speed. "We shall still be joined in heart" . . . and one day "meet at Jesus' feet". Amen!
