"Let No Man Despise Thy Youth, But Be Thou An Example..."

YOUTH ACTIVITIES AT BEULAH

by Patricia McCrea

Beulah 1960 was a wonderful camp! Every Y.P. society should feel the impact of our days spent together at Beulah. What a privilege it was to meet each other and together share in the blessings of the camp! The variety in our own Y.P. services, the preaching of the evangelist and the inspiration that seems to attend our gatherings at Beulah made this camp of unusual blessing to us.

Almost every society was represented at camp. Congratulations to our Fredericton society, the winner of our highest attendance plaque!

Meeting so many Christian young people and enjoying their testimonies were a real encouragement to each one. Both Saturday afternoon services found us with a full tabernacle. Not too long ago a well-attended Y.P. service wouldn't overcrowd the platform. How God is blessing our work.

Beulah 1960 brought us unusually fine Y.P. services, so varied and so profitable. On Missionary day, Dr. and Mrs. Storer Emmett presented us with the challenge of Africa. Already several societies have indicated their intentions to raise money for the purchasing of a six hundred dollar lighting system for the operating room of our new missionary hospital. So many young people expressed their appreciation for the helpful advice received from Rev. N. E. Trafton's discussion on "Dating." Our Bible Quiz Play-off service was packed with all the excitement that such evenly matched teams could afford. "They certainly knew the Book of John", was the familiar comment. The Truro Champs along with the Perth team celebrated the victory at a chicken dinner in the Dining Hall. Our final service, the Sacred Recital of Paul and DeVerne Mullen, was such a rich climax to our Beulah meetings.

Out of the Beulah business sessions came some announcements of plans for the coming year. Six Y.P. district presidents will promote Youth Work throughout our denomination.

A prayer support program is being planned for the ministry of our Youth Evangelist, Sheila Graham. What a challenge our Self-Denial eleven hundred dollar project for the coming year presents — the support of our African Bible School. Some important plans for the coming year were laid at Beulah 1960.

More important than plans or programs was the spiritual food received by our young people through the ministry of our evangelist. So many received definite help through the camp. Such times of God-speaking and inspiration will bolster our faith in the coming year. How inspiring to see young people so eager to again meet at the altar for a prayer of dedication. Beulah 1960 with its spiritual food, its inspiration, its times of rededication to Christ-like living left our Young People with a strong determination to "stay true" and witness for Him in the year ahead.

He praiseth God best that serveth and obeyeth Him most; the life of thankfulness consists in the thankfulness of the life.

"Holiness Echoes"

HOLINESS

What the heart is to the body, that the soul is to the man, and what health is to the heart, holiness is to the soul.

Holiness is health. Holiness is wholeness. Holiness is cleansing. Holiness is happiness. We are chosen for holiness, Eph. 1:4. We are called to holiness, 2 Tim. 1:9. We are commanded to be holy, 1 Pet. 2:16.

SPIRITUAL EXPERIENCES

Shall I ever forget the summer morning in 1886, not long after that blessed time of spiritual discovery and strengthening in the knowledge of God, I experienced indeed a joy unspeakable and full of glory in the sight of our Lord and life! Walking out alone I fell into prayer to be conformed in all things to the will of Him who had redeemed me and drawn me to Himself. As I proceeded, while heart and mind were kept in perfect peace and not the slightest enthusiastic disturbance of judgement was to be suspected, it was yet as if a heaven was opened around me and the joy of the Lord flowed over my being. The glory and beauty of my Saviour's person, the indescribable reality of His presence, both in me and around me, the absolute all-sufficiency of His grace and power, the loveliness and attractions of His perfect will — all shone upon me with a brightness of which the August sunshine seemed but a type and a shadow.

AN OBJECT LESSON

"Let Your Light So Shine"

Materials: 1 large candle, 7 small candles, map of the world and a reflector or mirror. The large candle represents the light of Christ. The small candles represent the Christian. The mirror represents the life of the Christian.

Place the small candles in the centre of each continent of the world. Light the large candle. With it light one small candle showing that it gives a little light. Light each of the remaining candles. Although each candle may not give much light, when they shine together they give much light.

Take a mirror and hold it by each candle reflecting its light over the continent on which it is located. By this method we see how the gospel in our lives may be reflected throughout the whole wide world.

Each Christian is a reflector of light. This light is received from Jesus Christ. We must reflect this light to those who are in the darkness of sin.

W.E.G.

Worship is easier than obedience. Men are ever more ready to serve the priest than to obey the prophet.
