

Two very special events for the month of May:  
 The Ministers' Conference, at Woodstock, N. B., May 17-19.  
 The Young People's Rally at Fredericton May 20-22.  
 Much prayer is needed for both these conferences.

The engaged evangelist for Beulah Camp Meeting of this year, Rev. Carl Anderson, of Wilmore, Kentucky, has suffered a heart attack and as a consequence will be unable to keep his appointment with us. We regret that we must forego the prospects of enjoying Brother Anderson's ministry at Beulah. However, the Camp Meeting Workers Committee has secured Rev. James Chrispell, of Hastings, Michigan, for the Camp. Rev. Chrispell is a commissioned evangelist of the Wesleyan Methodist and has been recommended highly as a Camp Meeting evangelist.

Song evangelist Paul Mullen will be in Youngstown, Ohio, May 23-29, with the First Nazarene Church, and in Markham, Ontario, May 31-June 5, with the United Missionary Church.

Special services are in progress in our church at Marysville, N. B., where Rev. G. R. Symonds is pastor. The evangelist is Rev. Mark Cortis, of Greensboro, North Carolina.

Two months to the 1960 Alliance! Dates for this year's Alliance: July 6-8.

**MINISTERS' CONFERENCE**

at

**WOODSTOCK, N. B., MAY 17-19**

**SPEAKER**

**Dr. H. K. Sheets, Marion, Indiana**

Notes: It is important that all ministers planning to attend the Conference notify the pastor of the entertaining church, Rev. L. K. Mullen.

**NOTICE**

Will all of our people holding Rooms reservations at Beulah Camp for 1960, please confirm the same as soon as possible.

We have a long waiting list for Accommodations and must have this information so those planning to come will have ample time to complete arrangements.

Address correspondence to Rev. W. C. Burbury  
 Box 371, Shelburne, Nova Scotia.

**REV. RONALD MOREHOUSE  
 REMAINING IN MILLVILLE**

This is due to the fact that the churches on our Millville Circuit are feeling so strongly that this is the thing brother Morehouse should do.

I was present at the last Business Meeting, and sensing as I did, the sincerity of the vote taken, I cannot but feel that brother Morehouse is doing the right thing.

This decision will alter his plans of entering the Evangelistic Field this Church Year. I understand that he will be taking the Meetings he has already booked that no inconvenience will be suffered from this angle.

This change gives us just the right amount of pastors for our churches this year. I trust that churches not having settled on a pastor as yet will get in touch with these men. It is not good that we do otherwise.

F. A. Dunlop.

**MINISTER'S CONFERENCE**

May 17th., at 7:00 P.M., will be the opening Service. I trust that all of our ministers will be present from the opening service to the close of the Convention. Some interesting items will be up for discussion and the days of fellowship should be enriching to us all.

Speaking of fellowship: We are broadening this feature of the Convention this year. The host pastor is planning a dinner on Wednesday where we may eat together with other clergy from the Town. This will help to give our Convention wider contact with the Community. Our brethren will be asked to donate One Dollar toward the dinner.

Dr. Sheets, General Superintendent of the Wesleyan Methodist Fold will be Guest Speaker throughout the Convention, speaking twice daily. We shall profit from this ministry, I know.

The travelling expenses for many of our men will be heavy. I suggest that the Church make the coming of each pastor possible by subscribing to this need.

Remember the dates again: May 17, 18 and 19.

Fraser Dunlop.
