BEULAH CAMP

Beulah! The name itself seems to cause the inner strings of emotion to vibrate with a melody of praise. To some, Beulah Camp may be only a name. But to those of us who know it as "Beulah", it is a synonym for Christian fellowship. It is a place of spiritual uplift. Beulah is a place to unload blessings as one shares his experiences with others in testimony. It is also a place to receive new blessings in prayer, praise and fellowship in service. It is because of these facts that so many people are using the slogan, "I'll see you at Beulah".

Beulah camp provides an opportunity for all age groups to receive a blessing from God. Daily Vacation Bible Schools are held each morning for the children. Young people's services are conducted by the young people each day of the camp. The "Love Feast" provides an opportunity for everyone to express his thanks to God for His goodness. The Youth Rally, during the last Saturday of the camp, is always a time of blessing.

These enjoyments are only part of the heritage of those who attend Beulah Camp. To enjoy these blessings of God is wonderful. But, to enjoy them in the rich beauty and natural grandeur of Beulah Camp is marvelous.

Following Beulah Camp meeting there will be a Youth Camp at Beulah. The Camp Meeting and the Youth Camp afford an excellent opportunity for young people to receive much blessing that will further root and ground them in the Christian faith. We hope to see many of you at Beulah this year.

★ ★ ★ YOUTH RALLY REPORT

"The greatest rally yet!" "This is just like Beulah Camp." "Dr. Sheets is sure a wonderful preacher!" These were comments made by many people during the rally.

The Campus of the University of New Brunswick was a beautiful place for our fourteenth annual spring rally. From the opening hymn, on Friday night, until the last words of "Blest Be The Tie" on Sunday night, it was a great rally. Four hundred young people registered at the rally. For the Sunday night service six hundred people packed the auditorium to overflowing.

Dr. Sheets spoke with simplicity and under the anointing of the Lord. His ministry was directed to youth, and yet helpful to all. We shall never forget his story on "Old Faithful" in Yellowstone Park, illustrating the life of the sanctified. It we ever feel we can run our own life, Dr. Sheets' illustration on paper hanging will help us to realize our dependence on the Lord.

Over and over again our young people sang "I Love My Jesus" while the Lord's presence came so graciously near. Doug MacCallum and his capable assistants did a splendid job accommodating delegates at the rally. Our thanks to the people of Fredericton, Barker's Point and Marysville for their hospitality.

Saturday afternoon, we enjoyed a tour of the Art Gallery and Parliament Buildings. To God be the Glory for a wonderful rally. —M. E. Smith.

EXCELLENT READING

A series of eight articles on "STEPS TO THE ALTAR" is being published in the Highway especially for young people. These articles are written by Rev. George Failing, a talented writer and one who has a deep understanding and concern for young people.

The first article appeared in the May 16th issue of the Highway. It was entitled, "Should You Date"? another article, "Why Date" was in the May 31st issue. No young person can read these articles without receiving much profit to his or her personal life. I feel confident that our young people will not find better reading anywhere. —Ed.

NEWS

Our young people will be glad to learn that Charles Owens received his Masters Degree in Commerce from the University of Toronto early in May. Charles has long been a member of our Young People's Association. We congratulate him on his success, and wish him God's blessing in his chosen career.

BECAUSE OF THESE

These things make life worth while to me:

A sunset sky, a maple tree.
A mountain standing grim and gray
Against the sky line far away;
A baby's laugh, a summer breeze,
A roadway winding' neath the trees;
A friend to trust, a book to read.
A work which meets some human need,
And through it all a sense of God
Lifting my soul above the sod,
The hope of peace which He can give—
These make it worth my while to live.
