## PRAYER AND BREATHING

(Continued from Page 3)

society, we can only look for disintegration and destruction.

"The family that prays together stays together." Prayer restores Christ to the home, Church, school and nation. This is the great need of the hour if we are to win the peace for the future.

The Prophet Joel declared—"In the last days I will pour out of my Spirit." Over against this Paul declared—"Perilous times shall come." Only prevailing prayer can hold the balance and correct the undercurrent of conflict in our day. This is the challenge of the hour and our only hope for the future. "Lord teach us to pray!"

## NOTICE RE BEULAH HOTEL

For sometime it has been the expression of our people that our waitresses of Beulah Camp should be more uniform in appearance.

This year we have purchased twenty-five uniforms \$2.50 each. This will cost us approximately \$62.00. We would appreciate any personal gifts, or if some of our Y.P. Societies would feel to help us concerning this matter. Thanking you.

S. W. Steeves  
Chairman of the Hotel.

## BEULAH WIRING

After Beulah closed last year I added several new circuits to Riverview and Wiggins, Dormitories, and the Hotel, The Hotel, of course, was the most expensive of the three buildings wired. Besides some 1000 feet of loomex, we added heavier switch boxes and panel boxes in all these buildings. A substantial donation was received from an occupant in the Wiggins Dorm. for that building, otherwise it would not have been wired last Season.

Recently, another donation has been granted for the wiring of Rockdale. Maybe this building needs wiring more than any building on the Camp, and if I could receive a few more donations toward this job before the last of May, I would endeavor to have the Rockdale wired before Camp this year.

This building will be more difficult to wire than the others since much of the wiring will be concealed. This will add to the expense, hence, my suggestion for some donations. Our Alliance treasury is low and I would avoid draining it further.

If any are interested in supporting this item you may mail your gifts to L. K. Mullen or myself.

Fraser Dunlop.
