

A MESSAGE TO—

Superintendents and Teachers of our Sunday Schools:

This is to express appreciation for the confidence of our Alliance in appointing me Promotional Director of Sunday School work. This is an important area of our denominational life and it is our purpose to work with pastors, officers and teachers of our schools to promote evangelism and Christian education in every School.

In our district meeting at Grand Manan, a recommendation was passed to have a Sunday School work shop on Saturday afternoon of our next District Meeting. In the meantime, we are endeavouring with the help of our Alliance Superintendent and others to work out ways and means of promoting better and bigger schools at the denominational level.

I have the names and addresses of some of our S. S. superintendents but there are many that I do not have. If our pastors will forward the name and address of their superintendent to me at Black's Harbor, I will be grateful. Please do so at once. In return we will arrange circular letters containing some goals and ideas for promotional work in 1961.

We are grateful for the wonderful army of Christian workers that God has given us. We believe we have potentials in our Sunday Schools that are far beyond our present development. If our pastors, Sunday School officers and teachers will work together in Board Meetings, Christian Service Training Classes etc., I am sure we can have better and bigger S. Schools. Please remember to pray much for this work.

Yours in the interest of our Sunday Schools,
A. D. Cann,
Black's Harbour, N. B.

CALL THE CHURCH TO PRAYER

By A. M. Hills

The Church is not praying today. She does not know how to pray. The average morning prayer of the average preacher—is a farce when you think of real prayer!

When the Church begins to mourn because of sin, and groan because of the burden resting on her heart, and cries out in agony to God to have mercy upon her because her children are under the power of demons,—then she will begin to pray—and not till then!

You can't have a revival unless you have a praying church.

Call the Church to prayer! Let her demand prayer in every home, the erection of the family altar, the gathering of her members in prayer groups every week, and the opening of the church building every day for prayer and meditation, and then the revival will be here!

GOD RULES OVER ALL

By the grace of God I never fret. I repine at nothing; I am discontented with nothing. And to have persons at my ear, fretting, murmuring at everything, is like tearing the flesh off my bones. I see God sitting upon His throne, and ruling all things well. Although, therefore, I can hear this also, to hear His government of the world continually found fault with (for in blaming the things He alone can alter, we, in effect, blame Him), yet it is such a burden to me that I cannot bear without pain; and I bless God when it is removed. I want to see God as acting in everything and disposing all for His own glory and His creatures' good.

—John Wesley
