EXAMINATIONS

This season of the year brings many of our young people face to face with the annual task of writing examinations. These call for extra time, effort, energy and concern. Yet, our school examinations are based on what we are supposed to know. They reveal our progress for the present school year.

While we face our school examinations, let us remember that God is always examining our lives to determine the extent of our spiritual progress. This is also on the basis of what we are expected to know.

Moses was examined by God in the Egyptian desert. David felt God's condemnation in a word from the prophet Nathan. Job had his test in the ash pile. Paul knew his imprisonments, shipwrecks, perils and sufferings. The Rich Young Ruler felt his lack in the contrast between his wealth and what God demanded of him. Thus God has examined men through the centuries. He is still examining our lives. What God reads is the scroll of our heart.

The purpose of examinations is to discover our weakness as well as our strength. God's examinations reveal to us wherein we may better our lives for His glory. They also reveal the worth of the individual for a particular service.

BEULAH CAMP

During the month of April we spent a few days at Beulah Camp. We were greeted by the chirp of the robin. Wild geese were flying overhead. We saw ducks in the river. Butterflies were fluttering around the grounds. There was so much to remind us that Beulah Camp is a wonderful place.

While our hearts were stirred by the beauties of Beulah in the Spring, we were reminded that it will only be a few short weeks before the Beulah Camp Meeting and Youth Camp will be enjoyed by so many.

Young people, Beulah Camp is a wonderful place for youth. It is not too early to make plans to spend some of your vacation at Beulah. You will find it spiritually refreshing, physically rewarding, socially enjoyable, and morally stimulating. Let's have a good group of young people at Beulah Camp this summer.

SEEKING GOD'S BEST FOR YOUR LIFE

by Lic. Sheila Graham

Young people should not be satisfied with anything less than God's best for their lives. Many young people try to be content with substituting the good for the best. But, why take only the good when you can have the best?

There is a price to pay in order to get the best. When you are seeking goods of any sort, if you want cheaper goods, you get just what you pay for. If you want better material, you will pay a greater price but it will last longer and will be worth all it cost.

What is God's best for our lives? "Seek Ye first the Kingdom of God and His righteousness and all these things

shall be added unto you" Matt: 6:27. His best begins with His righteousness. This is found by obtaining a real born-again experience. Secondly, you must seek and find a definite experience of Sanctification. To enjoy God's best you cannot be satisfied with a shallow experience. You need to have real depth to your spiritual life. So many are wandering in the wilderness, eating manna when they could be dwelling in and possessing the Land of Canaan, enjoying the depths of the riches of grace and feasting on the milk, honey and clusters of grapes.

The Kingdom of God is His will in your life. God has a plan for each one of us. It would be sad for any young person to miss God's best.

There's a place in the harvest field for you. It is certain God has a work for you to do. Unless you are in the place God would have you, you will not be completely satisfied. If you would have a lifetime of real joy, seek God's best. When you find His will, endeavor by His grace to perform it.

REPORT FROM LONDONDERRY

Christian greetings from the young people of Londonderry!

We have much to seek God for, when we see so many young people around us needing the Saviour. We are thankful for the large number of young people we have had the privilege of working with these past few months.

Our services have featured such programs as contests, religious films and Bible quizzes.

Last fall we organized our Crusaders. This has proven to be a time of blessing as we have had a great variety of programs.

We also thank God for our Junior choir, which has been a great blessing in our services.

At the present time we are in the midst of a revival campaign with Rev. K. Jewett as evangelist. God is here. The waters are troubled. We are believing God for great things.

Praying young people, please add Londonderry to your prayer list. We are so anxious for more young people to find the Saviour.

Yours for the Salvation of Youth,

Auralie Innman
