

A fine District Meeting reported at Saint John April 7-10. All ministers of the District present for part or all the week-end. Revs. F. A. Dunlop, J. A. Stevens, and A. D. Cann also present. The next meeting of this District to be held at Head of Millstream June 10th., a one-day meeting.

Reports from the treasurer of our Foreign Mission Board show a wonderful response to the special appeal issued by the Board. Giving to meet salary payments of missionaries in March and also in the Easter offering was generous. A minority of the churches not heard from, but these may yet report.

May 31st. marks the end of our statistical year. Churches wishing to have the "budgets in full" mark on reports to be presented to Alliance, have less than two weeks to complete payments.

In the next issue of the Highway: Beulah Camp Meeting announcement and emphasis on this event.

QUARTERLY MEETING REPORT

The Quarterly Meeting of Central Nova Scotia, convened with the church at Amherst, March 17-20..

All pastors, with exception of one were present, also a good number of delegates were there, to enjoy one of the best Quarterlies, we have attended for some time.

The blessing of the Lord was upon all the meetings with the pastors of the different churches bringing inspiring and challenging messages from the Word of God! Congregation singing and special singing were also enjoyed.

Business meeting was held Saturday at 3 p.m. Items of interest were discussed and an invitation from the Londonderry church for the June Quarterly was accepted.

All services, including the Sunday School, were well attended. Bro. Bagley and the church were much encouraged and are looking forward to their new church building which they are to start work on right away.

The pastors and people of this District are very pleased to have the Quarterly Meeting revived once again and are looking forward to next one in June. We feel that these times of blessing are of great benefit to one and all.
