

Dear Highway Friends,

By the time this letter is published I will have completed by D.V.B.S. work for this summer. It has been a privilege to work with our boys and girls again this year, and to see many of the Junior and Junior High group make decisions for Christ.

Just before Beulah we completed 8 months of pastoral work in the Free Will Baptist Church, Linneus, Maine. God helped us all through the winter months and we saw those who were new in the Canaan Land experience grow and rejoice in their Saviour and Sanctifier.

During the last two months of our ministry there, God came in a gracious way as we saw men, women, and young people weep their way to God for pardon. The cry of new-born babies in Christ caused the hearts of those who had prayed earnestly with great burden to rejoice. Prior to this, two all night prayer meetings were held and special efforts in fasting and prayer were launched. Entire families were changed and new family altars erected. Such conviction fell that some spent restless nights and one woman arose and renewed her covenant with God.

One scene which was touching was on Children's Day when, during the invitation, a mother stepped forward and stood by the altar waiting for her twelve year old daughter to join her, and together they accepted Christ.

At the close of our ministry, we witnessed a glorious baptism when several candidates followed their Lord in this ordinance. Rev. Neil Rice and Rev. C. F. Anderson, Christian Missionary Alliance pastor of Houlton, who also had candidates, assisted us. When the invitation was extended, several others were so moved upon by the Spirit of God, that they too followed their Lord in baptism. An invitation was given to any who would like to be saved and a young couple knelt on the beach and were reclaimed. They too followed their Lord in baptism. As prayer was offered for this young couple asking God to shower His blessing upon them, the windows of Heaven opened and showers of rain came down upon us which seemed to be typical of the showers of blessing descending from Heaven on many hearts. The service came to a glorious climax by the singing of "Showers of Blessing." Some who have been saved for many years said: "It is the most glorious baptism we have ever seen."

To God be the praise and Glory! He hath done great things for us, whereof we are glad.

Our farewell service was a blessed one as many sought pardon and cleansing.

A farewell party was given us and we received a wonderful purse of money, for which we praise the Lord.

We found many wonderful people in this part of God's vineyard and were privileged to make our home with a wonderful Christian Couple. Theirs was a rich fellowship we shall always remember.

Truly God has given us mothers, fathers, brothers and sisters, and we are thankful for Christian Fellowship which is ours "all because of Calvary."

There is a good group of staunch holiness people in Linneus and let us pray that God will continue to keep the work of Holiness there.

We were so glad many were able to attend Beulah and Riverside Camp meetings.

Pray for us as we launch out in evangelistic work this year. We need your prayer support so much.

Yours for Holiness,

Sheila Graham.

TO PASTORS AND CHURCH TREASURERS

All departments of denominational work are in dire need of financial support. More than three months of the new church year have passed. Very little money is received during the summer months but expenses of the various departments must be met. Our Alliance Superintendent has assumed his new duties, missionaries at home and on the foreign field have been working through the summer months, and Bethany Bible College has opened its doors for another year with a full staff reporting for duty. These workers are worthy of our support, but payment of their salaries is possible only when churches make regular budget payments. Will you check to see if the first quarter's payment has been made, and if not, have it forwarded at once. Treasurers of various departments are:

General Fund and Superintendent's Salary: Rev. N. E. Trafton, Barker's Point, N. B.

Bethany Bible College: Rev. J. A. Stevens, Yarmouth, N. S.

Home Missions: Rev. W. L. Fernley, 51 Carleton St., St. John, N. B.

Foreign Missions: Rev. S. E. Cameron, Perth, N. B.

Let us give now that the work may go on!
