

CHURCH NEWS

Hartland, N. B.

Just a brief report of our September Meeting with Bros. Neil Rice and Paul Mullen as workers. Their labours were appreciated by the church; the preaching was of a high order, and Pauls singing and music, supplemented by his family's talent drew large congregations on Sunday.

One sister was sanctified, and others requested prayer, but the break we were hoping for never came. We are still believing for fruit from this meeting.

Our church looks fine in its "New coat" of pearl grey and white trimmings.

The Lr. Brighton Church is soon to have new Gothic windows installed; the gift of a former resident.

Trusting to see a good representation from the District at our Anniversary Service at Victoria the 4th of November.

It was our privilege to have as our evangelists in the Calais Church, Rev. F. A. Dunlop and Paul D. Mullen from Sept. 28th through October 9th. During this period our brethren were a great blessing to the church and friends. Brother Dunlop's messages were delivered under divine unction, with a direct emphasis on regeneration and sanctification. At each service there was no mistake as to what he believes and preaches regarding our doctrinal standards. Praise the Lord, the people kept coming for more in increasing numbers.

Since the revival services closed, we have had another man saved and one young man baptized who was saved during the campaign. The attendance at our services steadily increase, with 17-22 in prayer meetings, and a good increase in Sunday attendance.

Pray for the church and pastor that we may as yet know a great revival.

A brief report of revival meetings, held Oct. 21-30th with Rev. Juddie Peyton, of Mt. Hope, West Virginia.

The meetings were well attended, with church packed several times, altars lined with seekers and new shouts of victory. In prayer meeting Tuesday evening, before revival, three young people were at the altar, to be saved. In prayer meeting following revival, there were a good number testifying to the new-found joy in their hearts. The ministry in song, and preached Word of Brother Peyton was certainly enjoyed by pastor and people.

We are looking forward to having brother Peyton again in the near future. He is true to the preaching of holiness, and a real christian gentleman.

Many people spoke of the meeting as an "old-fashioned revival". Tears of repentance, shouts of victory.

Thank God it is possible to have revival.

Yours in His Love,

H. O. McGeorge

PULL HARD!

Prayer pulls the rope below, and the bell rings above in the ears of God. Some scarcely stir the bell for they pray so languidly; others give an occasional pluck at the rope; but he who wins with Heaven is the man who grabs the rope boldly and pulls continuously with all his might.
