Song Evangelist Paul Mullen will be at Syracuse, N. Y., Jan. 16-22, with the Church of the Nazarene and in Colby, Maine United Baptist Church Jan. 25-29.

Rev. L. K. Mullen is at Beals, Maine, assisting Rev. G. A. Delong and our Church at Beals in special services.

With meetings for calling of pastors a little more than a month away, it would be timely if much special prayer for these meetings and the decisions related to them.

And we hope that response to the special Highway emphasis for January will be the best ever. What an encouragement it would be if every pastor would get behind an all-out effort for payment of all subscription arrears and the enlistment of many new subscribers!

CAN THIS BE SAID OF YOU?

The story is told of Gordon Maxwell, missionary to India, that he went to a Hindu teacher and asked him if he would teach him the language. The Hindu replied:

"No, Sahib, I will not teach you my language. You would make me a Christian."

Gordon Maxwell replied, "You misunderstand me, I am simply asking you to teach me your language."

The Hindu replied again, "No, Sahib, I will not teach you. No man can live with you and not become a Christian."

Worship is not grand organs and beautiful vestments and lovely choirs. Worship is a heart in communion with God. It is to love God, which is an emotion. We seldom worship God one hour a Sunday, unless we also worship Him each day all day. Therefore, teaching worship is not teaching church words or church behavior, but helping a child to adore God and love God and speak with God on Thursday afternoon.

The Christian Parents, Glen Ellyn, Illinois

A man was standing in a telephone booth trying to converse, but he could not make out the message of the other party. He kept saying, "I can't hear. I can't hear!" The other man replied sharply, "If you'll close the door, you can hear!" The door of the telephone booth was not shut, and he could hear not only the man's voice, but the street and store noise as well. The spiritual hearing of some of us is very poor because our doors, The Door of Attention, The Door of the Heart, have not been closed tightly. Man's voice and God's voice have become mixed in our ears. We cannot distinguish between them. The trouble is partly with the door. If we will shut the door, we will be able to hear.
