Encouraging word has reached us of marked improvement in the health of Mrs. Arnold (Leota) Stairs. We join with our friends in thanking God for answered prayer.

Rev. Neil Rice and Song Evangelist Cedric Landers are to conduct services at Dalhousie, New Brunswick, in the near future. Special prayer is requested for this campaign in a community and area where there is no holiness church.

Two months to Alliance time! Special prayer for this year's Alliance and Beulah Camp Meeting should begin now and continue throughout the two-month period. Friday, May 5th, is denominational day of fasting and prayer.

ATTENTION — SUNDAY SCHOOL SUPERINTENDENTS!

For the past two years our Sunday Schools have given an offering the first Sunday in June for the support of the Children's Tabernacle at Beulah.

This year we would like to finish painting the exterior; also, we would like to do some work on the interior of the building.

An offering of any amount from your Sunday School will be greatly appreciated by teachers and children of Beulah D.V.B.S.

Can we count on your help this year?

In Hlm,

Jack Stevens.

FINE DISTRICT MEETING

The Spring Meeting of the churches of Central N. B. District was held at Marysville April 13-16. All pastors of the District were present for some of the services, most for all of them. A large number of lay people were also present. The blessing of God was upon the services in rich measure. Every corner of the church, every pew and available chair, were filled for the last service. A wonderful time of fellowship!

God calls us to —

HOLY DISCIPLINE, HOLY DARING,

HOLY DRUDGERY, HOLY DYING.
