

## Ministers and Churches

Pastors and churches are requested to send receipts from Easter offerings for foreign missions to the treasurer, Rev. S. E. Cameron, Perth, N. B., as soon as possible. Half salary payments for missionaries were sent out in mid-March and the balance will be forwarded as soon as sufficient funds are received.

Rev. and Mrs. Eugene Kierstead have visited a number of churches in the central New Brunswick area. They have been at Marysville, Millville, Barker's Point, Saint John, and Fredericton. They were with our Grand Manan churches Easter Sunday. Other appointments for the month of April were: Moncton, 9th.; Woodstock, 16th.; Doaktown, 25th.

Unusual interest in special services at Saint John, N. B., resulted in an extension of the campaign over Easter Sunday. Miss Sheila Graham was the evangelist, and Song Evangelist Cedric Landers in charge of the music.

Rev. N. E. Trafton and the people of our Barker's Point, N. B., church had special services Sunday, March 26th., celebrating payment of more than \$15,000 in three years on their church building. A splendid achievement. See Bro. Trafton's letter in "Church News".

Reports of blessing and victory in a number of our churches indicate that the denominational day of fasting and prayer is producing results. So let us earnestly pursue this plan.

And we are only three months from the 1961 Alliance and Beulah Camp Meeting. Alliance dates; July 5-7; Camp Meeting, July 7-16. Time to pray and plan for these very important events.

The Highway subscription campaign for the month of January was the most successful we have had. Our sincere thanks to Rev. Stillman Cameron who was promotional director of the campaign, the local agents who work hard in the effort, and pastors who co-operated. The financial situation of our church paper is much improved and prospects for the continued ministry of this periodical are brighter.

Less than two months to the end of the 1960-61 church year. A worthy aim for all pastors and churches would be payments of all budget commitments. Better still — a budget-plus goal!

Rev. Ken Gorveatte has accepted a call to pastor the Crystal and Belvedere churches for the coming church year.

### MISSIONARIES OF THE CROSS

Nearly all the disciples were missionaries. The beloved John was finally banished upon a foreign island Matthias continued preaching after being driven out of Jerusalem, taking Africa for his field of labor, travelling far into Abyssinia where he faithfully preached until he was honored with a martyr's crown. Mark also went to Africa, finally suffering martyrdom in Alexandria, Egypt; he was dragged through the streets by a cruel mob until he died. Matthew also spent his life proclaiming the Gospel in Africa, and was killed by the enemies of the Gospel in an Ethiopian city. Luke was hanged from an olive tree in Greece. Peter was crucified outside Rome, head downward, not considering himself worthy to die in the same posture as did his Lord. Andrew was nailed to a cross in Asia Minor, Bartholomew was flayed alive in Phrygia. Jude, the brother of Jesus, went far into north-western Asia, preaching in Tartary, and possibly in China, until put to death by the enemies making of him a human fagot. James, the son of Zebedee, and brother of

John, was beheaded by Herod Antipas. James, the son of Alphaeus, was thrown from a pinnacle of the Temple in Jerusalem. Thomas, the one who had doubted, after he had tarried in the upper room and received the Holy Ghost, packed his knapsack and started afoot across the deserts and mountains, eastward, and finally arrived at the foot of the great Himalaya Mountains. He scorned these giants, and through deep snows and over dizzy heights, made his way into India. He crossed India and preached faithfully until somewhere, south of Bombay, the haughty Brahmans, having become engaged, rushed upon him and thrust an iron through his body; then hanging him to a tree in the hot tropical sun, his body was destroyed by vultures, but his soul went to be with Jesus.

"O God to us may grace be given  
To follow in their train."
