

### A 'GOSPEL JET' THANK YOU!

We wish through the "Highway" to thank each one who has responded to the last "Gospel Jet" appeal. It is quite difficult to reply personally, but with each one we opened up a big "thank you" welled up within.

The following are a few excerpts from letters accompanying gifts that were sent, that I desire to share with you:

"Happy to be of some help."

"Greetings to you in the Name of our Wonderful Lord, the great Shepherd of His sheep. We do thank Him for His protecting care and abiding presence in our declining years. Am sending a little money, only wish it was more."

"You will find enclosed the sum of two dollars for 'Home Mission Jets'. I'd like it to be more."

Received your letter yesterday asking for a donation to 'Home Mission Jets'. I am sending two dollars. Sorry I can't send more."

"Thank you for your report on Gospel Jet program. It encourages us to continue on in this work."

"Our only interest today is in the salvation of souls."

"My 'Home Mission Jet' was waiting for me when I came home a couple days ago . . . I am glad to be able to send my dollar along, wish it were more."

"Please find enclosed one dollar. It isn't very much, but to me it is a great joy to have a tiny part in the Lord's work. I am so happy to think how God has used our R. B. ministers, young and old, to build new churches and new works, when so many are closing them up. Praise the Lord".

The continued support and prayers of each one has been encouraging, and is necessary if the work of the Kingdom is to advance. Again, we thank you.

G. A. Inman, Treas.

### JANUARY TO BE HIGHWAY MONTH

The Highway Committee is planning another subscription campaign during the month of JANUARY, 1962.

Last year, Highway Month was certainly a success, but it might have been more so in some churches. Only 26 churches really promoted the Highway last year, but look what happened! Out of those 26 churches came 246 renewals and 96 new subscriptions! Response of this kind is heartening, but frankly, we were disappointed that more churches did not catch the enthusiasm toward the Highway. If your church did not make anything of Highway Month last year, why not plan to promote it this January? We are aiming at an "every church participation" this coming January, and we can have it if YOUR church will talk and support our paper in the next few weeks. Remember, the Highway is deserving of your church's support.

As last year, we are appointing Highway Agents for each church. This is a very convenient way for you to renew your subscription, and we hope you will take advantage of it. Plan to renew in January!

Stillman Cameron,

For the Highway Committee

### NEW PARSONAGE AT MONCTON

The congregation of the Reformed Baptist Church gathered at the parsonage recently to tender a housewarming to Rev. and Mrs. E. W. Tokley. The occasion was to mark their occupancy of the new parsonage, which was purchased by the church this Fall.

During the course of the evening a lovely gift of matching table lamps and a coffee table was presented to Rev. and Mrs. Tokley. Following this a delicious lunch was served by the ladies of the church.

The new parsonage is a two-storey Dutch Colonial style building with four bedrooms, livingroom, diningroom and kitchen, and is located on a 60 x 100 lot with garage. Centrally located to the church in a residential section of the city, it will be a great asset to the work in Moncton.

Before the evening came to a close, a special prayer of dedication was offered by Rev. Wilfred Green.
