

## GREETINGS AND NEWS FROM BILL AND ELSIE MORGAN

Greetings again in the Precious Name of Jesus our Lord.

It seems impossible that we are so soon again drawing near to the remembrance of His birth. Each passing year one wonders with even greater intensity whether this may not be the last before His glorious return. Surely it is drawing near. How precious is the assurance of salvation in these uncertain days! How great must be the fear of those who have an awareness of all the issues at stake and who are not right with God.

Throughout this festive continent where peace in so many places is maintained by sheer force we feel to thank God for the continued spirit of harmony and good will evident between the missionaries and African people in our Reformed Baptist work. While winds of animosity and suspicion blow around us we trust God may enable us to maintain this cherished relationship.

Despite some discouragements we feel the past year in the Louwsburg work has been fruitful. We are grateful for some fine staunch Christian workers among the Africans who are standing by the truth against ever increasing pressure from the heathen community and some so-called Christian groups to revive ancestral spirit worship. It is truly heartening to see them take a firm stand

on their own initiative. It would appear that the Church in Africa is heading for a period of purging. The lines are being drawn continually more clear. The battle call of Joshua is beginning to ring with greater resonance "Choose ye this day whom ye will serve". When you pray, please remember God's saints in this land and ask for them the courage and grace to successfully meet this subtle and dangerous challenge to their Christian faith.

Though at the time of this writing Christmas is still in the future, some gifts from individuals and churches have already arrived. May we take this opportunity to express our thanks for these as well as those that will undoubtedly arrive in the weeks to follow. We shall also endeavour to write a personal acknowledgement to all who have and will be remembering us during the Christmas Season.

Warmest greetings and sincere prayer for a most happy Christmas and a blessed 1962.

Happy in His Service
