

CHURCH NEWS

DEER ISLAND, N. B.

Greetings to all of the Highway Friends:

We have felt for sometime that a word from us was long past due and that we would like to express our appreciation for the wonderful year that we had in the evangelistic field; for the fellowship, love and generosity of God's wonderful people. It certainly was a great privilege to be able to visit many of the churches that I had never seen and to meet and get acquainted with many of our people that I did not know personally and to work with the Pastors, all of whom I found to be real men of God.

We did experience some rich blessings from God and saw many weeping their way through to victory at altars of prayer and this is what makes the work of the Ministry a joy to the heart. There had always been a desire in my heart to work with Bro. Paul Mullen in a meeting and this past year God made it possible to be with Bro. Paul in seven meetings, and I was not disappointed, for I found Paul to be a real servant of God, and who is desirous to be used by God to bring blessing and help to a church and to see souls saved; truly a wonderful man to work with in the battle for souls; May God continue to bless and use him in his ministry of music.

We had one meeting outside of our own Denomination; this was at Easton, in the Methodist Church with Rev. and Mrs. Stead; we must say that we went with fear and trembling; but soon felt at ease for we found them to be real servants of God and their people very gracious and easy to minister to. God's Spirit was present from the opening service and we had blessed times around the altar and on the last Sunday morning the real break came when men and women moved out to seek the Lord for His sanctifying power and again in the evening it was a joy to see a man and wife come down the aisle to receive Christ for the first time. May God continue to bless these good people who are laboring for God.

We finished the year in Dalhousie, being there for the months of May and June for the Home Mission Board. Again we went with a sense of fear; not knowing any of the people there; but we found our trailer parked in the yard of a man by the name of Herb Norseworthy who had lived in Marysville and was well acquainted with our work having attended our churches and had gone to Beulah many times. His kindness to us and his interest in the work was certainly appreciated and may God bless him and his wife in their latter years; also the work of Bro. Burke in helping to get us located and standing by the work, in getting around with us in meeting the people and being our right hand man. Bro. Cedric Landers with his Hammond organ and his singing, was greatly appreciated, not only by us but by the people who attended the meetings and also the help that his wife gave as she also assisted him in the music. May God graciously undertake for that area and for those wonderful people in supplying a man for the work that is needed in that community. We arrived at Beulah Camp with thanksgiving in our hearts for a wonderful year; but also feeling the heavy responsibility of the demands of the work that presented themselves to us, realizing the many needy areas and the shortage of men for Pastoral work and in opening up new areas; to stay in evangelistic work and accept the calls; to go back to this new area; to accept the call from the new church in Deer Island: Only God knew where and He must lead; as time came when the decision must be made, God laid it upon our hearts to

come to Deer Island. We have found a faithful group of people here who love the way of Holiness; gracious, kind and generous with what they have, as the work here will testify of, for never was so much accomplished by so few and with so little. God is honoring their faith and works by blessing in the services in the salvation of souls; They are deserving of your support and prayers. The faithfulness of Bro. Cann is much appreciated here in the Island for his untiring efforts and ministry and encouragement that he gave towards the support of this new work.

We look forward to the year ahead, again with fear and trembling, but realizing that God, who gave direction and victories in the past, is still on the throne and will continue to lead us on.

May God richly bless our Superintendent, Pastors and people and give us a wonderful year of victory.

Yours in Christ,
N. J. Rice.

HOME MISSION
