What fire is this that so warmeth my heart? What light is this that so enlighteneth my soul? O fire that always burneth and never goeth out, kindle me! O light which ever shineth and art never darkened, illuminate me! O that I had my heat from Thee, most holy Fire! How sweetly dost Thou burn!—St. Augustine.

KINGMAN, MAINE

Dear Highway Friends:

I am making special request through the pages of our own King's Highway that prayer be made for me that God would touch my body, somehow reach this heart condition and gall bladder infection, that I might be able to be of service to Him who has done so much for me. For the past month especially I have suffered much. I know God is able, and I am placing myself unreservedly into His hands.

There is no Sunday School in this community where we have moved. There is a church nearby, but only a service once or twice a month, held at 5 p.m. We had a Sunday School work before moving here, until the schools were closed against religious services. It leaves us with no alternative but to have one in our home, which I have been carrying on as long as my health permitted. The children love it, and are eager to return. The general feeling, however, is to prefer a community Sunday School. Feeling God's leading in this, I am asking that if you have any 1961 Sunday School papers, picture rolls, or flannelgraph figures that could be used for Primary and Junior children, kindly forward them to me. Do not send quarterlies.

Pray that this work may be carried on and that through our humble efforts these little lambs may be brought into the fold. The cost is so little, but the rewards are so great.

Yours in His service,
Mrs. Hollis Kimball
