

Where's all the news on "Ministers and Churches?" Sorry, we cannot print what we do not know. Pastors, can you help us by sending in your Church news, plans for meetings, etc. We print the news. We do not make it up.

Rev. L. K. Mullen and Brother Cedric Landers will begin special services at Barker's point with Pastor N. E. Trafton, on January 31. Services will conclude on February 11.

The foundation is laid and work is continuing on a new church building in Liverpool, N. S. under the leadership of Rev. Ole Kent. Services are being carried on currently in a barber shop, made available by the kindness of the owner. Brother Kent says, "We can jam fifty into the barber shop, but that's all. We desperately need a church building." Prayer meetings are being held in the home of Brother and Sister Kent. Brother Kent would appreciate hearing from our people. Write him: Box 811, Liverpool, N. S.

An all-time-high attendance of 162 was made at the Saint John Church Sunday School on Sunday, December 24. Congratulations, Saint John!

A capacity congregation enjoyed a blessed New Year's Eve service at the Houlton Reformed Baptist Church. Assisting Pastor Webb in the service were Lic. Sheila Graham, Rev. L. H. Hicks, and Rev. L. K. Mullen. Solos, duets, instrumental numbers, and special singing by the choir under the direction of Don Harding, contributed greatly to the spirit and the success of the service.

Pastors, please take the initiative in encouraging a record response to The King's Highway Subscription Campaign during the month of January. The Highway needs the support of every subscriber as well as 200 new subscribers.

NOTICE

We would like to call your attention to a motion passed in the Alliance July 3, 1959, and recorded on page seventeen of the minutes of that year.

"Motion that those holding lots on the grounds must build thereon within three years or release the lot."

If those who have held lots for three years or more do not build, or notify us that they intend to in the near future, we will be of the opinion that they have no further interest in building, and the lots will be re-allocated.

We would appreciate your co-operation in this matter as the lot situation at Beulah Camp is becoming a problem.

Chairman of the lot committee
Rev. R. G. Morehouse
Sandford, N. S.

EDITOR'S NOTE:

For a time at least, each issue of The Highway will carry a brief item taken from that same issue twenty-five years ago. If the items prove of interest to our readers they will be continued. It will not always be possible to find material of general interest, but this will be our ultimate purpose with each selection. If we print something that you wrote twenty-five years ago, please accept our choice with grace!

FROM THE KING'S HIGHWAY —TWENTY-FIVE YEARS AGO!

Dear Young People:

Greetings to my friends at home. I desire to give my testimony at this time. During the months of July and August I held meetings in a school house and worked on a farm in Quebec. During that time and since I have felt the burden of David Livingstone's prayer, "Lord, grant me strength to suffer and willingness to serve."

Jesus said in reference to His life, "I lay down my life for the sheep. And other sheep I have, which are not of this fold; them also I must bring . . . no man taketh my life from me, but I lay it down of myself. I have power to lay it down and I have power to take it again."

The past years have been mainly occupied in studying lessons, sometimes succeeding, sometimes not. In life's great lessons I ever will be a student. The Incarnate Word is my teacher, the Written Word my text, and the Glory of God my objective. Some lessons to learn are as follows: In finding life we must lose it; in giving light we must be consumed, and to be good leaders we must be good followers. These lessons are elementary but with the Holy Ghost sanctifying, giving direction, dimensions and power, life must be fruitful in soul winning.

The above is the expression of my soul. If I know my own heart there are no reserves there, but on the contrary the single ambition of my life is to glorify God and help my fellow men.

Yours for souls,
Adelbert D. Cann
