

Rev. W. C. Burbury, pastor of the Old Town Church, will attend Summer School at the University of Maine this summer. Brother Burbury has been accepted as a candidate for the B.A. degree and his summer's work will represent a part of the University requirement.

The faith and vision of the Fredericton Church, under the leadership of Rev. B. C. Cochrane, are to be commended in the recent purchase of a church building lot, located at the corner of Smythe St. and Charlotte St., in one of the finest residential areas of the City of Fredericton. The lot, 100 ft. by 128 ft. was purchased for the sum of \$24,000. A contract has also been arranged with the Fredericton School Board, whereby parking facilities located adjacent to the church lot, may be used by those attending the future church. Brother Cochrane has recently baptized six candidates and has received seven into church membership.

Rev. Bruce Bridgeo has extended the right hand of fellowship to ten new members of the Halifax Church.

Rev. Hazen Ricker, pastor of Port Maitland and Brazil Lake Churches, has received four new members into the Brazil Lake Church.

Rev. Arthur Allen, evangelist, Church of the Nazarene, was with Rev. J. A. Moses, and the Church at Calais, May 2-13.

Rev. Kenneth Gorveatte has accepted a call to pastor the Monticello Community Church. Rev. R. T. Benson will be taking Brother Gorveatte's place as pastor at Crystal and Belvedere.

FIRE TAKES CRYSTAL PARSONAGE

Near tragedy came to the Gorveatte family on Thursday afternoon, May 10, when fire raced quickly through the parsonage at Crystal, Maine. In only a short time the building was a total loss, including the personal belongings and furnishings of the Gorveattes. Only a few items were able to be carried from the house. There was insurance on the house but none was carried on the personal belongings.

Indeed we are grieved at the terrible loss sustained by Brother and Sister Gorveatte, and of things in particular which cannot be replaced, yet we have reason to be thankful to God that no life was lost.

Plans were set in operation immediately to rebuild the Crystal parsonage and it is hoped that the new building can be occupied by fall.
