

DENOMINATIONAL SUNDAY SCHOOL CONTEST RESULTS

Our Denominational Superintendent, Rev. H. R. Ingersoll judged the Sunday School Contest and reports the following:

Class A. Average of 100 or over.		
Winners. St. John. Increase	57%	161
Runners Up. Seal Cove	35%	186
Class B. Average 50 - 100.		
Winners. Black's Harbour	64%	133
Runners Up. Havelock	43%	118
Class C. Average up to 50.		
Winners. Alley's Bay	63%	49
Runners Up. Old Town	50%	51

We appreciate ALL the SCHOOLS which took part in the Contest. With the exception of one School ALL SHOWED an increase.

WE believe what we need as a DENOMINATION is a REAL INTEREST on the part of EVERY CHURCH to enter contests such as these. In spite of the fact that we contacted every PASTOR and SUPERINTENDENT only 15 Churches entered the Contest. We realize of course that there may be reasons why some churches did not enter but it seems to us that we need a NEW VISION of the importance of the Sunday School effort.

NOVEMBER will be the MONTH every year that we shall be having our Contest. Start to plan and Pray now for this endeavour.

God bless you, for what you did to make your Sunday School grow during the recent Contest.

W. L. Fernley,
Director of Sunday School Promotion

BETHANY BIBLE COLLEGE

(Continued from Page 5)

as YOU who read this appeal feel the urgency of doing something about the financial position of the College. EVERY ONE OF US COULD if we would make a final effort to keep the College from facing a very serious deficit at the close of the Church Year.

Will you PRAY and Give SOMETHING to the College during the next FEW DAYS??

God Bless You,

W. L. Fernley (for College Board)

GRACE AND DAVID TITLESTAD REPORT

(Continued from Page 2)

Gorman. A few outsiders have come in and others, whom we have invited, have expressed an interest. A striking incident occurred day before yesterday in this connection. As I was approaching the Library, on my way home from having been up town, I had a desire to hand a Christian lady who has been active in the Lord's work interdenominationally, one of the invitation Cards. I prayed silently for God's guidance that if it was for me to go in I should see her at the window (as she works in the Library). As I got abreast the window — there she stood and how she waved to me! Of course I went in with a happy heart. She was so pleased that I passed her one and said, "This is what we need! We want to come!"

In closing I wish to thank all the dear friends for the gifts they so kindly sent to us at Christmas. It was so thoughtful of you and made us have a really Merry time opening the gifts and reading the cards. God bless you all is our prayer. As we can we shall be writing personal letters.

With best regards to you all.

Yours for souls,
Grace and David Titlestad.

That I may know, yet more and more,

The love of God whom I adore;

That I may be increasingly,

The woman He would have me be;

That loved and kept, I may find grace

To serve before Him face to face;

And that, at last, my great reward

May be the "Well done!" of my Lord;

This is my wish; may all beside

Be on the Cross, and Crucified.
