

A new parsonage has been purchased by the Houlton Church, located centrally on Carr St. The building is in excellent condition. Rev. and Mrs. F. A. Dunlop have taken up residence in the new building.

Lic. Kenneth Foote writes from Maranatha Bible Conference, Muskegon, Michigan, stating that he has been taking a course with Youth for Christ International. He wishes to announce that after Sept. 4 he will be available for evangelistic meetings in any of our churches, particularly weekend Youth Meetings. Brother Foote's address: Seal Cove, N. B.

Reports this year from our three Summer Youth Camps again were very encouraging and enthusiastic. Rev. Bernard Brown, director, Riverside Youth Camp, reports excellent attendance and many spiritual victories. Workers were Rev. and Mrs. S. W. Steeves, Lic. and Mrs. Wendell Shepherd, Miss Audrey Bagley and Mr. Larry Kitchen.

From Beulah comes the report of an excellent Youth Camp, an older group of Campers than usual, and the wonderful blessing of the Lord under the ministry of Rev. N. E. Trafton. Director of the Camp was Mr. Ronald Mitchell, Moncton, N. B.

From Yarmouth, Rev. Fred Whittey, director, reports fifty-five campers, an all-time high, and a near 100% witness for Christ among them. A number of visitors at the evening services were seekers at the altar. Camp evangelist was Rev. K. G. Jewett.

As an Alliance we appreciate the fine work of the Youth Camp program, the directors who take on the heavy responsibility, and the workers and counsellors, who in some instances this year, donated their time at no cost in order to assist at the Camps.
