### FROM SEAL COVE, N. B.

Greetings to our Highway friends from Seal Cove! A letter is way past due from this part of the Lord's work. We are happy to be able to tell you that the Lord has been blessing and that our work has been most encouraging during these last few months. When God begins to move in by His Gracious Holy Spirit, it seems that every department of the work begins to grow for which we Praise the Lord.

Recently we had a wonderful series of Meetings with Sister Sheila Graham and Brother Cedric Landers. The anointing of the Lord was upon our workers and the comments were, "This is one of the best meetings we've had for some time".

The fervent prayer life and burden which Sister Graham carried for this meeting, stimulated new faith, enthusiasm and zeal among our people. My heart was stirred and blessed again and again as the people met for times of special prayer and it proved to me that there was no substitute for real intercessory Prayer.

God was faithful in giving to us some outstanding victories, some were saved, others reclaimed and sanctified, and the Church received definite spiritual help. We say, "Praise God from whom all blessings flow."

The interest is good, another was saved Sunday night and I feel that we are going to reap great benefits from the past meetings.

The Quarterly Meeting is to convene here the first of April, and we are praying that God will make this a great time of blessing to our district. We solicit your prayers, as we seek the leadership of the Holy Spirit for the coming Church year. God Bless you one and all.

Stewart and Phyllis Steeves

### OUR MISSIONARIES SPEAK

(Continued from Page 3)

with words like that is the desire of every true believer. But the cost is too great for most people. If you wish to find the way to this wonderful testimony at the end of the life of Paul, then read Phil. 3 and you will see what it cost him—and what it will cost you, and me, to attain to "the resurrection out from among the dead." And to "apprehend that for which also I am apprehended of Christ Jesus."

### DEATH

Mrs. Gladys Green, 61, of Seal Cove, N. B., went to be with the Lord January 25th. She was a fine Christian, and was highly esteemed by all in the community.

Surviving are her husband, Elton, two sons, DeVerne and Judson of Seal Cove; two daughters, Mrs Raymond Calder (Jessie) of Campobello, N. B., and Mrs Merlin Green (Marjorie) of Seal Cove; her father, Frank Griffin of Lubec, Maine; also six sisters and one brother, nine grand-children and two great-Grandchildren.

A large funeral was held from The Reformed Baptist Church, Seal Cove and was conducted by Rev. S. W. Steeves, assisted by Rev. J. A. McKenzie and Rev. Ronald Madden.

### JULY CHRISTMAS — MILE OF PENNIES

At Beulah last year, it was decided that the children of our denomination (that takes you all in from 1 year to 100 years of age) have two very special projects this year.

At the suggestion of our missionary, Mrs. Storer Emmett, we are planning "Christmas in July." Notice has been sent to all churches, suggesting that throughout the year small packages be wrapped and brought to some designated person in each church who will be responsible for these gifts getting to Beulah Camp to be put under the Christmas Tree to be in the Children's Tabernacle. Then these gifts will be sent to our mission stations to be used at the Christmas season. We are hoping the response will be great to such things as small toys (even used toys, if in good condition) and all small articles children like to own. Please put contents of package on outside of wrapping.

Also our children have started to save "A Mile of Pennies for Jesus." It is noted that 15 pennies make 1 foot. Each church has been asked to select a treasurer who will keep accurate records of number of feet of pennies each child saves. Recognition will be given to those who save the greatest number of feet of pennies, both individuals and churches. Money may be forwarded to Mrs. Leslie C. Black, 131 Phillips Street, Wollaston 70, Mass. Either American or Canadian currency may be sent.

Has your church become an active participant in either or both of the projects? The year since Beulah Camp is passing rapidly. We are counting on you to help us go "over the top".

Contributions to "Mile of Pennies" through Feb. 1.

Moncton .....	20.00

Thank You,
