We are very grateful for the generous response of our churches to Bethany's needs. Many have paid their budgets in full; others have increased their giving.

We regret that we have to come to you again so soon with an appeal, but our churches are the only source of income during the summer months. If salaries are to be paid in July and August, we will need several thousand dollars on our '63-'64 budget during this period.

Thank you for your good support.

In Him,  
J. A. Stevens
