NATIONAL HOLINESS ASSOCIATION PLANS STUDY CONFERENCE

After sponsoring 18 successful seminars on holiness doctrine during the past three years on 17 different college and seminary campuses in the United States and Canada the National Holiness Association, under the leadership of its president, Dr. Kenneth E. Geiger, is completing plans for a Study Conference on the Distinctives of Wesleyan-Arminian Theology to be held November 3-6, 1964, on the Bible Conference Grounds, Winona Lake, Indiana.

Attendance at this conference will be by invitation and will be limited to 125 scholars of the Wesleyan Arminian section of the church. This group will include denominational leaders, representatives of colleges, seminaries, missionary organizations, etc., officials of the sponsoring association, and a limited number of observers from without the N.H.A. constituency.

As the program outline will indicate, only the distinctive doctrines of Wesleyan-Arminian theology will be considered during this four-day convocation. Each of the four sections will be chaired by a section captain who will have supervised and coordinated the work of the research teams assigned to study and prepare papers during the coming year.

One of the chief goals of the conference is to more clearly establish the relevancy of the Wesleyan-Arminian message and interpretation of the Bible to the problems and needs of our day. In order to accomplish this objective, the best scholarship has been enlisted to compose the 19 research teams which will report to the conference.

The conference will open with a fellowship luncheon at noon on Tuesday, November 3, 1964, and will be immediately followed by a keynote address by Dr. Geiger, the Executive Director of the conference and a paper by Dr. Roy S. Nicholson on the subject "A Historical Survey of the Rise of Wesleyan-Arminian Theology." The balance of the time will be spent in hearing and discussing the various papers based on the following subject material:

BIRMINGHAM BOMBING "THE LOVE THAT FORGIVES"

BIRMINGHAM, ALA. (E.P.)—"I could not believe that they would stoop to bombing the children during Sunday school." This was the dazed comment of Rev. John H. Cross, pastor of the Fifteenth Avenue Baptist Church here, after a bomb shattered the building, killing four Negro children and injuring eighteen others.

The minister's four-year-old daughter was among those injured.

While police sought to squelch any attempts to organize demonstrations, Negro onlookers prayed and wept as the bodies of the four slain girls were removed from the church.

"Oh, no!" one boy said. "She's my sister!" He watched as her body was brought out.

Those killed were in the women's lounge. Most of those injured were in a Sunday school classroom adjacent to the lounge.

The lesson being taught in Sunday school: "The Love That Forgives."

(secular job) in Camden area—that he might get the work started there
