REV. F. A. WATSON WRITES

Dear Friends of The Kings Highway:

I would like to acknowledge, first of all, my gratitude to God my heavenly Father who has brought me through a very serious illness, and is giving me renewal of strength from day to day. He has verified his many promises again and again during these months of enforced idleness, and has made me to realize and to know the comfort and blessing which His presence can bring to the trusting heart.

I would also like to express my deep appreciation to the many friends who sent me cards and letters. They did mean much to me. I wish that I could answer every one of them personally, but that would be too great a task, so I am using the medium of our beloved King's Highway to say "thank you, and God bless every one of you."

I believe that God has spared my life for a purpose and I desire that that purpose be fulfilled in me. I shall be glad to supply during the summer months and would be glad to assist in revival services during the late summer and fall months. Yours desiring that His will be done in me.

NOTICE

TWO HUNDRED and SEVENTY SEVEN THOUSAND DOLLARS!!

The above stated amount of Money was pledged in ONE DAY, for ONE YEAR, at ONE CHURCH, for World Wide Missions. ONE SUNDAY SCHOOL CLASS promised \$40,000!! I was there and witnessed it!! (Park Street Church, Boston—Editor)

What a thrill to be in a MISSIONARY CONFERENCE that had 69 Missionaries in attendance, representing 27 different Faith Missions including "Holiness Groups." What a moment of DEEP FEELING when a Missionary Couple gave the money they had saved to educate their children, to send out another Missionary family instead!!

What a Challenge to our Faith as 2500 people sang,
"O ZION, HASTE, THY MISSION HIGH FULFILLING,
TO TELL TO ALL THE WORLD THAT GOD IS LIGHT.

What a Passion for the Souls of Men we saw exemplified, as the "BURDEN of a LOST WORLD" was once again riveted upon our minds and hearts, by the words and stories of the Missionaries.

What KIND of a "PASTOR" can I be from Now ON?? NEVER will I be the same. Never will I stop asking, pleading, praying, for the great Cause that is the Heart of God, "MISSIONS"

—Rev. Walter Fernley

Praying too, that God will abundantly bless Beulah Camp 1963.

I DO NOT DRINK BECAUSE

I believe that I will live a healthier, happier and longer life if I abstain.

I believe that I can face life's problems better without alcohol and therefore feel no compulsion to drink.

I believe that I can think more clearly and do my work much better if I do not drink.

I believe that I can use my money to much better advantage than spending it for alcoholic beverages.

I believe that automobile drivers who drink are responsible for many traffic accidents and deaths.

I believe drinking to be the contributing cause of many family troubles, resulting in children's suffering.

I believe that the smell of liquor on one's breath is objectionable and offensive to others.

I believe that in saying "No Thank You" I gain the respect of my host and other guests too.

I believe that social drinking encourages youth to do likewise, and I do not wish to set that example.

I believe that obedience to God and His Law commands that I do not drink. — Temperance Education.
