

E. H. B. S. GRADUATION

Once again we feel to say from Evangelical Holiness Bible School "To God be the Glory".

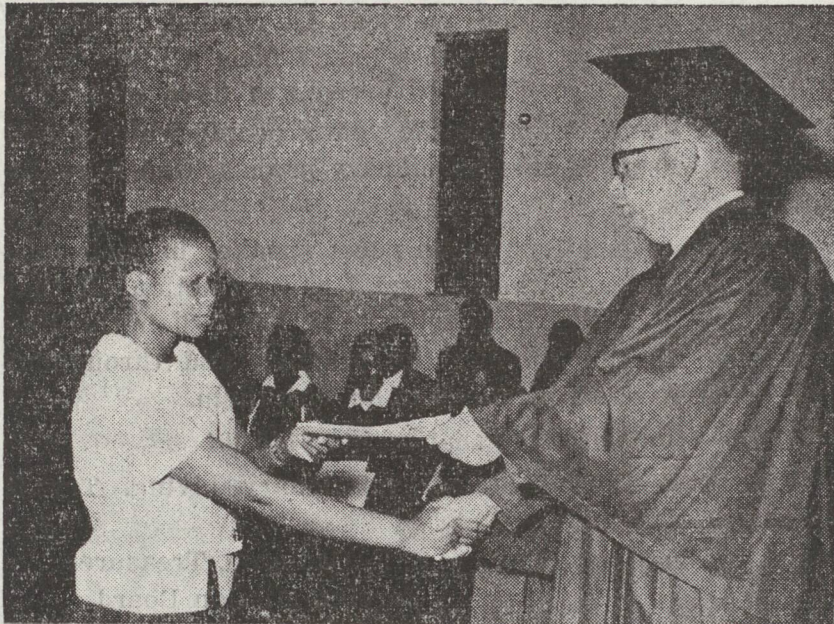

On November 16, 1963, before a fine representation of people from the five Districts of our South African Church, seven students graduated, and about ten others received their first year Diplomas. There was a very fine Spirit over the entire weekend. Most of the Missionaries were able to be with us for at least part of the weekend.

We felt good as we saw the seven students go out to take up the work of their calling, not because they had a piece of paper to show for their two years work, but because we felt that they had something to share. That was the common testimony of the students in a Love-feast that was held a few days before graduation.

E. H. B. S. has written nine years of active and fruitful history. We feel that the school has made a large contribution to our work out here. Almost all of our pastors and many of our lay workers have been to school for at least a short course.

Whatever measure of success that has been enjoyed has been because the Lord has been with us; Because our Board, Y. P. S., WMA, and our Church as a whole has fully supported us; And because we have had a good African staff to help carry the load — Rev. Abslom Sibiya, Minah Nkosi, and also Maria Maseko part time. Our sincere thanks to each and all and a request for your continued support and prayer for the New Year.

ANNUAL MISSIONARY CONFERENCE — SOUTH AFRICA 1964

The Annual Missionary Conference (South Africa) of the Reformed Baptist Church was held at Paulpietersburg, Natal, Jan. 2-5, 1964.

All of the Union Missionaries and children, except those on furlough, were able to attend, making a total of 20. Accommodations for eating and sleeping were arranged at the home of Rev. and Mrs. Karl Gorman, and all Services were held there except for the Sunday Morning Service which was held in the local Town Hall.

Speakers for the Evening Services were Revs. K. Gorman, G. Kierstead, W. Morgan, and C. Sanders. Morning Bible Classes were conducted by Rev. E. Kierstead, and Children's Services were held daily under the supervision of Mrs. Alice Kierstead and Miss Pamela Sanders.

Special music for the meetings was provided by the missionaries themselves, and an interesting variety of solos, duets, etc. were heard. The children added their contribution to the singing as well.

Because of limited space, it was not possible to invite the general public to the Evening Services, though a few friends of long-standing came to share the blessings and enjoy fellowship with our Group. Others attended Sunday A.M.

The day began with Family Altar immediately following breakfast, and was crammed full of Business Meetings, Bible Classes, Children's and Preaching Services. It was a time of rich fellowship and Divine Blessing for us, and
