FROM MONCTON, N. B.

Dear Highway Friends:

Greetings in the name of our wonderful Lord!

With praise to God we wish to report victory and blessing in the work at Moncton.

During the first three months of the year we promoted an "outreach" effort in the church with very gratifying results. The prime purpose of the plan was to activate in service everyone who would participate and seek a maximum of effectiveness in every area of the work. We had splendid co-operation and interest and every department showed gains during the special effort.

In February we had the Nicholson-Mullen evangelistic team, with us for three Sundays. We cannot speak too highly of the work of these men. We were impressed with the quality of their service and the depth of their consecration. The preaching, art work, and music, were of the very highest order. The attendance exceeded anything we have seen in our pastoral work. Night after night the church was filled to capacity, with chairs being brought in for many services. We feel that our Church is very fortunate to have men of the calibre of Randolph Nicholson and Paul Mullen serving in the evangelistic field.

Our people are giving us fine support, morally and financially. Early in the 1963-64 church year, the church voted to pay for the heating of the parsonage and to increase our car allowance. This has meant a total increase of about ten dollars a week.

This year we will celebrate the completion of thirty years of service in the ministry of our Church. We are humbly grateful to God for His favour in "putting us into the Ministry", and appreciative of the wonderful fellowship we have enjoyed with the people of God across the years.

Christian love to all.

Yours in the bonds of Calvary,

Bennett & Hilda Cochrane
