YOUTH AT BEULAH

Beulah Camp for 1965 is history. In many ways it is a wonderful history. From the very beginning of the camp the number of young people at the camp was significant.

The atmosphere of the camp was excellent for old and young alike. God's presence and blessing was evident in every service and in the atmosphere of the camp as a whole.

The afternoon youth services were a blessing to all. Rev. N. E. Trafton brought splendid messages for our young people, with encouragement for a deeper spiritual life. Music by the Mullen Family was appreciated by all who were present.

Not only did our youth profit from their own special services, they received much help from the Camp evangelist, Dr. George Failing who, under the anointing of God, moved his audiences and challenged all to a deeper spiritual life.

A special feature of the camp was the Youth Rally, Saturday, July 17, when under the direction of Lic. Paul Mullen, a special musical programme was enjoyed as it was presented to the glory of God.

Thank God for a wonderful camp.

R.B.Y.P.A. ANNUAL MEETING

The Annual business meeting of the R.B.Y.P.A. was held Saturday, July 17th at Beulah Camp. Many of the reports were encouraging with indications that financial giving has exceeded that of previous years.

Several new appointments were made at this annual meeting. New District presidents were appointed for the Yarmouth and Perth areas. Rev. H. B. Ricker and Mr. Paul Inman were appointed to these respective positions. Mr. William Moore Jr. was appointed as Highway Youth Editor. He succeeds Rev. W. E. Green who has filled this position for the past six years.

SPECIAL NOTE

Mr. William Moore Jr. has been elected as The King's Highway youth page editor. Mr. Moore, a graduate of the University of New Brunswick, is a prospective missionary and a staff member of Bethany Bible College. His experience and interest in youth will qualify him for service in this new post. Mr. Moore will begin his duties with the September issue of the Highway. May God bless him in his service to God and Youth.

IN APPRECIATION

For the past six years we have been working as editor for the youth material published in the King's Highway.

It has been a profitable joy for us to have had the privilege of working with the present Highway editor, Rev. N. E. Trafton, and Rev. L. K. Mullen.

We have appreciated the co-operation and prayers of our young people as well as the confidence our youth have placed in us during the past six years of service. We feel that together, we have made some contribution to the Kingdom of God through the printed page.

We are sure that our young people will give the new editor the same support that we have received.

Thanks to our youth for the privilege of serving. May God give our youth a good and glorious future.
