

Greetings, from the Dunlop's:

Victory, is still our word of Praise; Seems incredible that we have been here nearly four years. We have found our most loyal people in this church and it has been a joy to minister among them.

This year we lift a seven year mortgage of substantial size. Next year the church expects further progress in this field — soon, Lord willing, we shall be in the clear.

Recently, we closed a very profitable meeting with Reverend George DeLong, evangelist. Never did we enjoy our brother more. His messages were simply great. His very fine spirit endeared him to our people, and many were the expressions of help received. Visable results were disappointing, but owing to the spirit of the meetings throughout there were no feelings of defeatism. Brother DeLong should be kept busy. He has a Message for this day.

Mother's Day services were unusually good — 75 in Sunday School and good attendance at morning and evening Services.

Beulah will soon be here. We look forward to seeing you.

Fraser and Margaret Dunlop.

#### DEER ISLAND

Parsonage needed. We haven't enough money to buy a parsonage, and we cannot afford not to. We have been renting a parsonage but it is not good business to do so. We have an opportunity to purchase a bungalow in good repair, near the church on a large lot.

We would appreciate your help.

This is the Lord's work, Brethren, and our witness is needed here.

Our treasurer is Mrs. Burdette Greenlaw, Lambertville, Deer Island, N. B.

Rev. J. A. Owens, Pastor.

Special music was provided by Melvin Perry, Port Maitland, soloist. A trio consisting of Rev. and Mrs. Ricker and Rev. Mr. Steeves rendered a selection. Pianist throughout the service was Mrs. Ricker.

The new church project was started about a year ago and at this time is all paid by generous members of the congregation and friends except a loan of \$1230. The pews have also been paid for. Three special offerings had been taken during the year amounting to five hundred dollars, one thousand dollars and \$1556 respectively. Missionary givings were also attended to and the parsonage was renovated. Much praise was given to the minister, Mr. Ricker who besides organization had put in many hours of manual labor along with the members of the congregation.

For a number of months before the completion of the church, services had been held in the basement. The new auditorium is beautifully finished with light walnut, the furniture is of red oak and attractive lighting fixtures add to the church's loveliness.
