CAMP MEETING HIGHLIGHTS

## PUBLIC SERVANT WIDELY MOURNED

After several decades of faithful service "The King's Highway" failed to recover from a lingering illness brought on mainly by a change in denominational climate because of merger with the Wesleyan Methodist Church. With deep regret, delegates of the Atlantic Conference convening at Beulah Camp Grounds voted to retire the elderly statesman with honors, and proposed a conference news bulletin of approximate size to replace the valiant warrior.

In all seriousness, as the retiring editor, I wish to speak words of appreciation for the ministry of "The Highway" during these many years. Since the early days of our founding, it has declared our doctrines, promoted our programs and recorded news of interest to our people. For many who have moved to other areas, it has provided a means of communication with former friends and places still fresh in their memory. We are grateful for all our subscribers and hasten to add, that much of what "The Highway" has been will be incorporated in the proposed conference bulletin. According to plan the new paper will be published monthly beginning in September, from the conference office in Saint John.

The subscription price is \$1.00, and all renewals to the Highway will be honored and transferred to the new mailing list. From this date on, all correspondence should be sent to The Atlantic Conference, Wesleyan Methodist Church, 46 Princess St., Saint John, N. B.

Although "The Wesleyan Methodist" is now our denominational voice and merits our fullest support, we still need communication and information on the conference level. It is only proper that we retain a special place in our hearts for "The Highway", yet be realistic and progressive enough to meet the challenge of a new era. To "The King's Highway" a heartfelt Au Revoir. To the new conference bulletin, Bon Voyage.

## CONFERENCE — ECHOES

F.A. Dunlop  
K.E. Gorman

Edward Smith  
Olin Hillman  
William Gallagher  
William LaPointe

### Substitute Delegates Substitute Delegates

G.R. Symonds  
M.W. Bagley

Mrs. N.E. Trafton  
Frank Balsler

Rev. N. E. Trafton presented a report for the Highway Committee, and recommended that the KING'S HIGHWAY be replaced by a Conference Paper which would be published monthly from the Conference office, 46 Princess Street, Saint John, N. B. A motion was sustained that the recommendation be adopted, and that the Conference Paper Committee be delegated authority to name the publication.

A motion prevailed that "We recommend that ministers and their wives transfer their membership to the church where they are pastoring, or residing, as the case may be."

The Conference voted to express deep appreciation to Mr. William Trafton for his generous donation of time and money toward improvements on the interior of the tabernacle at Beulah Camp.

The Conference voted to express appreciation to Joe and Wiley MacDowell for their fine work at the Jones Cottage.
