Dear Highway Friends;

Christian Greetings from the Churches of Ingomar and Sandy Point!

After ten years of renting and putting up with all the inconveniences that come up from time to time we feel that we owe our pastors something better, so after much prayer and discussion we have decided to step out on faith and build a parsonage. The land has been donated to us for which we are very thankful and feel that this is a good start. Plans are being made to start the basement the first of April. The estimated cost of the building would be \$5000.00 with most of the work being done by the layman and pastor.

Like all new buildings we are in need of financial help and we would greatly appreciate any assistance from our churches or individuals. Our group is small but we believe with the Lords help and His people that we can build a parsonage. May we hear from you soon. All donations should be sent to Earle Goulden, Ingomar, Shelburne Co., N. S.

In His Service,
Mrs. Doris Goulden,
Church Clerk.

AN AWARD

In 1965 the Province of Nova Scotia established an Education Fund to assist and encourage Negro Students to continue their education. Miss Lois Gero one of the fine Young People of our church won the award, and was presented with a cheque for the amount of \$75.00. She has been corresponding with a native girl by the name of Ruth Mudenda of Zambia, who is a second year student at the Government School of Nursing.

Correspondence was started through Mrs. McGeorge, Mrs. Doctor Emmett and Mrs. Ronald Madden.

We are pleased to congratulate you Lois, and wish you every success.

We have been praying the Lord to lead her to Bethany Bible College, and to find a place of service in the Lord's great harvest field.

May the Lord bless you Lois.
Your Pastor

Rev. H. O. McGeorge.
