

"WILL THE FACTORY WHISTLE BLOW?"

CITIZENS WORKING TO THAT END—SEVERE LOSS TO TOWN AND SURROUNDING COUNTRY TO HAVE OUR CHIEF INDUSTRY CLOSED.

It is very gratifying to know that a number of the leading business men of the town are getting behind a movement, whereby the Sussex Manufacturing Company's business will be put on a sound basis in a position to do greater volume of trade than ever before. This movement is deserving of the support of every citizen who has the welfare of the town at heart which incidentally means his own welfare as well, for should the factory remain closed it would not only throw a large number out of employment, causing them to have to leave the town, but will add to the tax burden of those remaining.

It is therefore hoped that the necessary support to carry out the project will be raised and it is to the best interest of every citizen to give not only their moral support, but to give their earnest consideration to the financial proposition which is a good one. By all pulling together "the whistle will blow."

FAREWELL PARTY AND PRESENTATION AT NORTON TENDERED MRS. RONALD BRUCE

A large number of the members of the Norton Women's Institute met at the home of Mr. and Mrs. D. P. Lewis Monday evening to tender to their daughter, Mrs. Ronald Bruce, a farewell party before her departure to take up her residence in Boston. After an interesting musical entertainment with P. J. Wilcox presiding at the piano, Miss Gladys Burns and Miss Carrie Yerxa playing on their ukuleles was over with, Mrs. Bruce was presented with an address and a beautiful fountain pen. The president, Mrs. G. Harold Perkins read the address expressing the appreciation of the interest Mrs. Bruce had taken in the Women's Institute. Mrs. C. C. Brown made the presentation on behalf of the members. Although taken completely by surprise Mrs. Bruce made a fitting reply, after which all joined hands and sang "Auld Lang Syne." A delicious luncheon was served and a very social time enjoyed by all. The singing of the National Anthem brought the very pleasant evening to a close, all wishing Mrs. Bruce and family every prosperity in their new home. Mrs. Bruce and little daughter leave Thursday for Boston, Mr. Bruce having gone a few weeks previous.

"WILD, WILD SUSAN" IMPERIAL TONIGHT

SPECIAL AND LAST SHOWING OF HAROLD LLOYD IN "THE FRESHMAN" FRIDAY AT 3.45 AFTER SCHOOL CLOSING—"HALF WAY GIRL" MONDAY'S ATTRACTION

Ladies, boys and girls—If you are among the few that have not yet seen Harold Lloyd in "The Freshman" you have your chance Friday at 3.45 after school closing, when the Imperial is running a special matinee instead of Saturday. See particulars on page 4.

On Thursday, Friday and Saturday of this week the Imperial is presenting a big double show, including Bebe Daniels in "Wild Wild Susan."

The speedometer clicks around 90, the tachometer registers a laugh a second—and that's as fast and funny as they come.

Friskier than a bucking broncho, wilder than the Wild Man of Borneo, and oh, lady, lady, how funny!

That's Bebe in the title role of this gay, gingery, high-geared comedy. With Rod LaRocque and superb comedy cast.

Here's Wild, Wild Susan, doggone dangerous, darling, world's wildest wildflower, society's swiftest stepper, filmland's friskiest, funniest female!

Susan was a slave to thrills with a kick. And when Susan went out into the world to get them, she GOT them—and then some!

Nothing but death and taxes can keep "Wild, Wild Susan" from making you howl.

There will also be a 2-reel comedy entitled "Pie Eyed."

"The Half Way Girl" will be Monday's attraction. This picture comes direct from its St. John and Moncton showing this week.

TRANSFER OF BANK MANAGER

Mr. George C. Roy, local manager of the Bank of Nova Scotia, has received notice of his appointment as manager of the Bank of Nova Scotia branch at West Saint John. His successor here will be Mr. W. J. Jardine, at present manager of the Moncton branch of the Bank of Nova Scotia. Mr. Jardine will arrive here to take charge of the bank in about ten days. During this interim Mr. A. A. Brittain, head accountant, will carry on as acting manager.

Mr. Roy has been manager in Sussex for the past five years and during his residence here, he always took an active interest in everything pertaining to the welfare of the town. In July 1924, he was elected a member of the Board of School Trustees, and has served faithfully since in that capacity; he was active in church work, and also was prominent in the work of the Sussex Amateur Athletic Association.

Mrs. Roy was a general favorite in social circles and the departure from Sussex of Mr. and Mrs. Roy and family will be learned of with much regret.

"The Half Way Girl" which plays the Imperial Monday, Tuesday and Wednesday, says the Toronto Mail & Empire: "It is one of those pictures in which violence and excitement are crowded together so that you leap from one thrill to another without pausing for breath."

FIRE PROTECTION FOR PETITCODIAC

FIRE DEPARTMENT ORGANIZED WITH WILLIAM BLEAKNEY AS CHIEF—CHIEF DALY AND ALD. WHITE, OF SUSSEX, ASSIST IN ITS ORGANIZATION

Our Petitcodiac correspondent* has written The Record as follows:

Alderman George H. White, of Sussex, chairman of the Fire and Police Committee, and Chief Daly, of the Sussex Fire Department, were in town on Monday conferring with the business men re fire protection for Petitcodiac.

After a survey of the burned section and business part of the Town had been made, Chief Daly addressed the members of the new fire department at a meeting held in the Masonic Hall explaining to them the importance of good organization in fighting fire, also the various kinds of equipment and how to use it.

Chief Daly advocated making application to the C.N.R. for permission to tap their pipe line at the corner of the Pollett River road and Main St., and run a four inch pipe west along Main St., to a point at or near the residence of Dr. Fleming.

The placing of four hydrants on said line as follows: At the Pollett River Road, a short distance south of the pumping station, at corner of Pollett River Road and Main St., on Main St. front of Post Office and one at end of line near Dr. Fleming's residence. Chief Daly also advocated the purchase of about 500 feet of hose, an extension ladder, to add to the present ladder equipment.

Petitcodiac Fire Department has a great start in their equipment, having already three 40 gallon chemical engines, 25 hand extinguishers, and some ladders and axes.

The newly organized fire department is under command of Wm. Bleakney, one of the prominent business men of the Town. Petitcodiac has suffered greatly from the fire scourge and its residents hope that the newly organized fire fighters will be able to prevent disasters of this kind in the future.

Petitcodiac citizens are deeply indebted to Chief Daly and Alderman White, of Sussex, for the valuable aid rendered.

SCHOOL BOWLING LEAGUE FORMED

MEETING FRIDAY NIGHT TO FORM TOWN LEAGUE—RENFREW MACHINERY CO. DONATE TROPHY FOR SCHOOL LEAGUE

The School Bowling League has been formed and E. J. Vickers, manager of the Renfrew Machinery Company, has assured Mr. McLeod that his Company will put up a silver cup as trophy for the winners of the School League.

A meeting will be held in the office of the Renfrew Machinery Company, tomorrow, Friday, night, the 27th, to form a Town League. All interested in bowling should arrange to be at the meeting, which is called for 8 p. m. It is just possible that some other concern in the town will wish to put up a trophy for the winners of the Town League, and it is to be hoped that the same interest shown in bowling last year will become evident again this year.

Mr. McLeod, proprietor of the local alleys, is prepared to give all possible assistance in perfecting a good team that can go out of town and make a good showing. He is ready to assist financially, or any other way, to send a team to St. John to compete for trophies.

There will be four teams in the Junior League. One match will be rolled every Thursday afternoon, directly after school, and two will be played Saturday morning.
